## INDULGE IN NUTRITION

There are tons of plant-based protein products out there. But, not all of them offer a complete protein profile, which can support you in achieving successful weight loss and building and maintaining lean muscle.

IsaLean® Shake Plant-Based uses a unique blend of pea protein isolate and whole-grain brown rice protein to create a complete protein profile, meaning that it's comprised of all the essential amino acids.

This plant-based shake offers the same benefits of our standard IsaLean Shake, making this a nutrient-dense, plant-based treat with all you could ever want.
