HEALTHY LIVING STARTS WITH **HEALTHY BEGINNINGS**

Getting kids the high-quality nutrition their growing bodies need can be challenging. With daily exposure to excessively sugary beverages and empty-calorie snacks, it's no surprise that parents don't feel 100% confident their kids are getting proper nutrition.

IsaKids™ Super Smoothie provides balanced, age-appropriate nutrition to fuel growth and development with two delicious tastes kids love: Strawberry Blast and Ice Cream Cookie Crunch Flavor.

WHAT MAKES OUR PROTEIN SUPERIOR

- Our whey is responsibly sourced from grass-fed cows from Australia, the United States, and New Zealand from suppliers who follow ethical farming standards.
- We take extra care to obtain undenatured whey protein, which involves a low-heat ultrafiltration process so it maintains its undenatured state for a cleaner, less processed shake.
