## WHAT MAKES OUR CHOCOLATE **SUPERIOR**

From bean to square, our thorough process ensures these nutrient-rich chocolates are full of flavor and provide maximum benefits.

- Our cocoa beans are grown on small family farms and are harvested at peak ripeness.
- The beans are gently processed using temperature-controlled methods to create a smooth texture and rich flavor while carefully protecting the cocoa's delicate natural flavor compounds.
- Green tea extract and amino acids are added to boost the natural benefits of chocolate.
