

Make It a Cooler Summer

It's back to save you from the dreaded melt!

The Summer Cooler Program keeps your most heat-sensitive products safe.

WHAT: Isagenix orders containing certain products will be shipped in our eco-friendly summer cooler cartons made from post-recycled materials. We help protect your products from the warmer temperatures.

Here are all the products you can expect to be delivered in a summer cooler box:

- IsaLean® Bars in Chocolate Cream Crisp, Chocolate Peanut Crunch, and S'mores Flavor.
- Plant-Based IsaLean® Bars in Chocolate Coconut Almond and Chocolate Peanut Butter.
- ALL IsaDelight® Super-Chocolate flavors.

WHY: Don't let summer's heat ruin your treat!

WHEN: Refer to the handy map to see when the program is available in your part of the country. Also, our friendly shipping team keeps an eye on the weather to see if dates need to be adjusted!

HOW: Orders in Lifestyle Rewards that require a summer cooler box will cost an additional **\$6 for every two units purchased**. If you have IsaDelivery™, you won't be charged an additional fee. (Pretty cool, right?)
