

# AMPED™ Hydrate Orange

A refreshing, hydrating sports drink mix that provides energy rapidly.

## WHAT IS AMPED HYDRATE ORANGE?

A refreshing, hydrating sports drink powder that provides electrolytes and vitamins to maintain vitality and to quench your thirst.

## WHY DO YOU NEED AMPED HYDRATE ORANGE?

Our body needs a lot of energy during exercise and lots of water and electrolytes are lost through sweat. With its fresh orange taste, Amped Hydrate Orange keeps you hydrated and provides various nutrition and electrolytes to help you regain body balance when your body is exhausted after exercise.

## HOW DOES AMPED HYDRATE ORANGE WORK?

- **Hydrating & supplying of electrolytes** Proper supply of water and electrolytes after exercise can quickly recover body balance.
- **Supply of nutrition** Provides various nutrition including carbohydrates, Vitamin C, B vitamins and electrolytes.

## HOW TO USE:

Take ½ sachet daily around/during the physical exercise.
