

SuperMix FAQ

What is SuperMix?

Shake things up with Zija SuperMix™ — a delicious, convenient powdered beverage mix that can be added to water for a daily dose of moringa's benefits. SuperMix utilizes the amazingly nutrient-dense botanical ingredient, moringa oleifera, to deliver a powerful source of plant-based nutrition.

What is moringa?

The moringa tree is a fast-growing, deciduous tree native to subtropical areas in Southern Asia, Africa, and South America. First described around 2000 B.C., moringa was historically used as a traditional remedy. Today, it continues to thrive around the globe because of its ability to deliver sustainable nutrition with the spectrum of nutrients found naturally in moringa leaves, seeds, and fruit.

How is SuperMix sweetened?

SuperMix is naturally sweetened with a blend of pure cane sugar and stevia extract.

What are the natural tropical flavors in SuperMix?

SuperMix is naturally flavored with compounds that are found in pineapple and mango for a light, fruity taste.

Does SuperMix contain any stimulants?

No, SuperMix does not contain any caffeine or other stimulant ingredients.

How can SuperMix be used as part of an Isagenix System?

SuperMix is a great addition to any Isagenix System for an added boost from moringa's natural benefits. It's delicious when enjoyed on its own and can be added to your IsaLean® Shake.

Is SuperMix Cleanse Day approved?

Yes! SuperMix can be added to any Cleanse Day with a value of 2 Cleanse Credits per serving when using the Cleanse Day Tracker.

Can I use SuperMix in recipes when cooking or baking?

Absolutely! SuperMix can be added to your favorite recipes for a boost of plant-based nutrition. Blend it into a smoothie, or stir it into beverages and foods.

What is the suggested age for SuperMix?

SuperMix can be enjoyed by anyone 4 years of age and older.
