Earning levels for Isagenix Independent Associates that appear in this publication are examples and should not be construed as typical or average. Income level achievements are dependent upon the individual Associate’s business skills, personal ambition, time, commitment, activity, and demographic factors. A COMMUNITY LIKE NO OTHER

Isagenix is built on a strong foundation of dedicated business builders and Customers.

Our business builders work hard to share the Isagenix products and opportunity with their friends and families. Our Customers are like family and are always willing to lend a helping hand.

For that, everything we do is done with a spirit of gratitude for our Isagenix community. We believe that what is right for our Customers is right for Isagenix.
REAL PEOPLE. REAL RESULTS.

There’s room for everyone to find success at Isagenix, as a part-time supplemental income earner or as a full-time professional.

LEVEL 1:
GET PAID FOR SHARING ISAGENIX PRODUCTS WITH OTHERS.
When you bring new Customers to Isagenix, you are paid for their product purchases. As they keep ordering, you keep earning! It’s that simple.

If you help two people join Isagenix, and each of them in turn helps another two people join and buy products, you’ll continue to earn money. This is called ‘You Share, They Share, Repeat’. (Additional requirements apply. For more details, please contact your Sponsor.)

AMY’S LIFESTYLE CHANGE
In August 2013, Amy, at a petite 5 ft 1 inches, weighed 11 stone 8 pounds; the heaviest she had ever been.

In May 2014, she started using Isagenix products. “I knew my life was going to change that day,” says Amy. “I immediately signed up for the IsaBody Challenge® to hold me accountable.”

Amy’s dedication transformed her body, and in helping others do the same, she has been earning commissions month after month.

The weight loss and lifestyle results depicted in this publication may vary depending on level of effort, adherence to a controlled-calorie dietary regime, and physical constitution. The results were achieved when Isagenix products were included as part of a healthy lifestyle that incorporates regular exercise, appropriate portion control, and a varied and balanced diet to meet desired goals. Those who are pregnant, breastfeeding, or have a medical condition are advised to consult a doctor before using Isagenix products or making any other dietary changes.
LEVEL 2:
EARN A SUPPLEMENTAL INCOME, PART TIME.

At Isagenix, you’re in business for yourself, but never by yourself.

The Isagenix compensation plan is more than just retail and residual commissions.

The work you do now can help lay the foundation for future income that can impact your household’s bottom line.

NEW MUM BECOMES THE BEST VERSION OF HERSELF

In 2013, Natalie was able to reach her pre-pregnancy weight of just over 13 stone, but the momentum eventually stopped. Tired, frustrated and upset with the way she looked and felt, the new mother went back to the drawing board.

In early 2014, her trusted friend introduced her to Isagenix and the IsaBody Challenge®. Natalie admits that she was hesitant to start using the products, because she and her husband were struggling financially. Natalie initially started slowly with Isagenix, but soon found that she was able to find purpose and make a living, all while being at home with her little one.

“I want other mums to know that you don’t have to have a lot of time. You just need a little bit of time, during which you’re committed to doing something,” she shares.

LEVEL 3:
EARN A FULL-TIME INCOME AS A PROFESSIONAL NETWORK MARKETER

A few Associates have been able to devote themselves to the business full time and have built their businesses to produce a sustainable income. To build a solid business that provides you with a steady annual income, you’ll need determination, commitment, skill and a passion for helping others transform their lives.

Focus on growing a strong customer base and identifying a team of fellow Associates who can, in turn, build their own customer base too.

JIMMY SMITH STARTS AN EMPIRE AT 74

After 40 years as a butcher, Jimmy Smith retired and discovered network marketing. It took another 15 years for him to find the right company: Isagenix.

That was in 2002. Today, Jimmy is the all-time top income earner at Isagenix. He and his six children are all building their own Isagenix businesses, as are many of his 28 grandchildren. “As a family, together we can earn more in a month than I made in my entire career as a butcher,” says Jimmy.

But, he emphasises, “It’s not about having money; it’s about what you can do with it. Any one of my 28 grandchildren can go to any university they want, as long as they have the marks, with no student loans.”

Isagenix Millionaires are defined as Isagenix Associates who have cumulatively earned US$1 million or more with Isagenix. Earning levels for this Isagenix Independent Associate substantially exceed the average results achieved by all Associates during the same time periods and should not be construed as typical or average. Income level achievements depend on many factors, including the individual Associate’s business and networking skills, personal ambition, time commitment, work habits and other abilities. For average earnings, please see the Isagenix Independent Associate Earnings Statement found at IsagenixEarnings.com.

   - attempt in any way, directly or indirectly, to violate or circumvent the Isagenix Policies and Procedures that apply to me.
Section 2. Rules of Membership

As used in these Rules of Membership (“Rules”), the terms “you”, “your”, and “Associate” refer to Isagenix Independent Associates, individually or collectively, depending on the context.

2.1 Becoming an Isagenix Independent Associate. To be eligible to become an Isagenix Independent Associate, you must: (a) be at least 18 years old, (b) have a physical address in the country of enrolment, (c) submit a complete, legible, unaltered and valid application that includes valid and accurate contact information, (d) review and, as may be required, accept all required materials and documents, including the Isagenix Privacy Policy, the Terms and Conditions of the Independent Associate Application and Agreement (“Terms and Conditions”), the Isagenix Compensation Plan and these Rules, (e) complete any training as may be required by Isagenix; (f) pay the membership fee or purchase an Associate Support System, as applicable; (g) not hold, or have previously held any interest in an Isagenix Position (directly or indirectly through a family member, business entity or otherwise) within the twelve (12) month period immediately prior to this registration unless you have met the reenrolment criteria in Section 3.5.

Isagenix will not be responsible for any delay, loss or forfeiture of any payments held pending completion of the application and enrolment process.

Isagenix Customers may apply to become an Associate at any time in order to participate in the Compensation Plan. These persons remain eligible to purchase Isagenix Products at the prices dictated by the Customer Membership Type elected upon enrolling as a Customer. In addition, the person may retain his/her current Position so long as he/she makes the election within 24 months after becoming a Customer. If a Customer elects to become an Associate after 24 months, he/she may enrol at the bottom of his/her current leg with his/her current Enrolling Sponsor. Upon becoming an Associate, the person will then be eligible to receive compensation under the Compensation Plan.

Associates who choose not to create a Customer Membership Account will pay a Membership application fee that is charged annually and may purchase Isagenix Products directly from Isagenix at the same prices as Preferred Customers.

2.2 Accurate Information. You may not enrol or help anyone else enrol with false, inaccurate, fabricated, misleading or incomplete information. It is your responsibility to inform Isagenix of any changes to your contact or other personal information. Isagenix will not be responsible for delays and possible loss or forfeiture of Compensation that would otherwise be payable to individuals who have provided false, inaccurate, fabricated, misleading or incomplete information. Isagenix reserves the right to void or delay any enrolment, including voiding pending orders and payments, pending validation of account information. Isagenix may terminate any Position that is being operated by any person other than the person(s) named in the Terms and Condition or the related Isagenix Account.

2.3 No More Than One Position. You may not have a financial interest or any other interest in more than one Position, including participation in the building of or ordering Products through such Position, even when that Position is held by a separate business entity or another person, except in limited circumstances (such as Re-Entry Positions) as officially designated and approved in writing by Isagenix. If you are found working or assisting with work regarding a Position in someone else’s name, such Positions may be terminated and the waiting periods in Section 3.5 will apply from the Position’s most recent activity.

2.4 Spouses. Spouses may hold separate Positions, provided that they are in the same Line of Sponsorship and one spouse directly sponsors the other (except in cases where each spouse owns the Position prior to being married). Each spouse agrees that the actions of one spouse may be attributed to the other spouse and may result in corrective action against both spouses.

2.5 Re-Entry Positions. Executives who meet the qualifications set forth in the Request for Re-Entry Position form may request one or more additional Positions, known as a Re-Entry Position. Because the grant of a Re-Entry Position is a privilege, Isagenix may impose additional requirements or withhold approval of any such request, and may terminate any Re-Entry Position at any time at its sole discretion. Isagenix may also amend or discontinue the Re-Entry Programme at any time at its sole discretion. (Please refer to the Compensation Plan, Request for Re-Entry Position for additional details and information.)
Section 3. Understanding Your Isagenix Position

3.1 Placement of Your Isagenix Position. When you become an Associate, you will occupy a Position in your Enrolling Sponsor’s Team Placement Tree in accordance with the Compensation Plan. The person who enrolled you with Isagenix is your Enrolling Sponsor; the person who occupies the Position immediately above you is your Placement Sponsor (the Enrolling Sponsor and the Placement Sponsor may be the same person). Isagenix will generally recognise the Enrolling Sponsor and Placement Sponsor designated on your application, but may re-designate either Sponsor in the event of a dispute. (Although Customers are also assigned Positions in the applicable Marketing Organisation for tracking purposes, they do not have any Retail Business Centres and are not eligible to earn commissions unless they become an Associate.)

3.2 Change of Sponsorship or Placement. To protect the integrity of the Compensation Plan and to discourage unethical cross-recruiting practices, Isagenix does not allow sponsorship or placement changes, except in very limited, unique and exceptional circumstances. Any request to change sponsorship or placement must be made in writing and sent directly to Isagenix via email to Placements@IsagenixCorp.com. The request will initially be reviewed by Sales and if it is found to warrant further action, will be sent to the Field Relations Board (“FRB”) for consideration. The request may be denied at Isagenix sole discretion.

3.3 Modifying or Selling Your Position. You must notify Isagenix prior to any modifications to the ownership of your Position. Isagenix may, at its sole discretion, approve or disapprove any modification you propose to make to your Position. Before Isagenix will consider any changes, you must submit a written statement outlining the proposed modification and the reasons for the modification. You may request to sell your Position: (a) if you have actively operated your Position as an Active Paid-As-Executive for the six consecutive months immediately preceding your date of sale; (b) if you have failed or chosen not to pay your annual renewal fee when it is due, or (c) if failed or choosing not to engage in any Business Building Activity for six consecutive months or longer. Once your Associate Contract, including your Position, (a) at any time by giving proper written notice to Isagenix; (b) by failing or choosing not to pay your annual renewal fee when it is due, or (c) by failing or choosing not to engage in any Business Building Activity for six consecutive months or longer. You must notify Isagenix in writing if you propose to sell your Position. Isagenix may approve or disapprove of any proposed modification or sale. You may request to purchase the Position from you on the same terms and conditions as specified in the notice.

Note: This Section also applies to any attempt to transfer an interest in an entity that holds a Position. Positions held by Customers may not be sold or assigned.

3.4 Voluntary Cancellation of Your Associate Contract. You may cancel your Associate Contract, including your Position, (a) at any time by signing and submitting a written request to Isagenix, (b) by failing or choosing not to pay your annual renewal fee when it is due, or (c) by failing or choosing not to engage in any Business Building Activity for six consecutive months or longer. Once your Associate Contract/Position has been cancelled, you may not re-enrol or have a financial interest in another Position except in accordance with the re-enrolment policy as provided in Section 3.5. If you desire to voluntarily cancel your Associate Contract/Position and intend to re-enrol, you must sign and submit a “Voluntary Request to Relinquish Position With Intent to Re-Enrol” form sometimes referred to as the “Re-enrolment Request Form”). Written requests for cancellation are considered effective when a valid request is received by Isagenix.

For instructions to appropriately cancel your position please contact Isagenix at: CustomerServiceE@isagenixCorp.com for the Republic of Ireland and CustomerServiceNL@isagenixCorp.com for the Netherlands, or by phone: +353 (0) 800 817102 for the Republic of Ireland; +31 (0) 800 023 4002 for the Netherlands.

Isagenix may, at its sole discretion, elect not to renew your Associate Contract. Isagenix will notify you of its intent not to renew on or before the anniversary of your enrolment.

3.5 Right to Cancel Membership. You may cancel your membership without stating a reason and without any penalties within 14 days after your Date of Enrolment. If you choose to cancel he or his/her Position or move to another Marketing Organisation, even if you tell them or her to do so in accordance with this policy, and even if you had previously enrolled that person. Isagenix will generally investigate patterns of re-enrolments and re-enrolment requests suggestive of violations of this policy. Isagenix may, at its sole discretion, refuse any re-enrolment request for any reason, even if the Isagenix has complied with the specified waiting periods and taken all other steps necessary for re-enrolment.

Note: Although Isagenix permits spouses to hold separate Positions, they must remain in the same Line of Sponsorship. Therefore, before
either spouse can re-enrol, both spouses must satisfy the conditions and waiting periods applicable to their respective Positions.

3.7 Divorce. Isagenix will honour a valid divorce decree or settlement agreement with respect to ownership of Positions, provided that the divorce decree, settlement agreement, or other resolution (collectively “Resolution”) does not conflict with the Policies, Compensation Plan, Guidance Documents or the Terms and Conditions. Additionally, the right to sell or transfer a Position cannot be divided so as to provide some rights in the Position to one individual and other rights to another; and any Resolution that purports to so divide or separate the Position will cause the Position to automatically terminate as of the date of any such Resolution.

3.8 Succession. Upon the death or legal incapacitation of an Associate, all rights to the Associate’s Position may be transferred to a successor as provided in the Associate’s will, trust or other testamentary document or as otherwise ordered by a court of competent jurisdiction or other testamentary process, subject to approval by Isagenix. Within six months after an Associate’s death or incapacitation, the successor(s) must present legitimate verification of death or incapacitation and proof of their right of succession, such as a grant of probate or an enduring power of attorney. The successor must accept and submit new Terms and Conditions and must, in all respects, qualify to enrol as an Associate and be bound by all current and future Terms and Conditions, the Policies, Guidance Documents and Compensation Plan. If the successor is already a Member who holds a Position, Isagenix generally will allow the successor to hold both the successor’s original Position and the inherited Position for up to nine months, provided that the successor appropriately requested to sell or otherwise transfer one of the Positions and such sale or transfer has taken place prior to the expiration of the nine month period. Isagenix may impose additional restrictions and requirements, including maintenance of certain Paid-As-Ranks, at its discretion.

If Isagenix determines, at its discretion, that there is no appropriate or qualified successor to provide responsible leadership and support to the deceased or incapacitated Associate’s Marketing Organisation, Isagenix may purchase the Position or, in its discretion, the successor may transfer the Position at the fair market value determined by Isagenix. If the successor(s) refuses the purchase request, Isagenix may terminate the Position without remuneration or further obligation.

Note: The requirement to sell or otherwise transfer one of the Positions after nine months does not apply if the successor is the spouse of the deceased Associate. If the Position is to be inherited by more than one successor, the successors should form a single-purpose business entity or a trust to hold the transferred Position and must follow all Isagenix instructions concerning its relationship with Isagenix, including designating one person as the contact person and person responsible for the Position. This policy may not be used to circumvent Section 2.3.

Section 4. Isagenix Products

4.1 Purchasing Isagenix Products. No person is required to enrol as an Associate to purchase Isagenix Products. Isagenix may adjust the prices of its Products or services at any time. Although Associates may be required to achieve certain levels of personal sales (which may include retail sales) to earn compensation, Associates are not required to purchase any Isagenix Products or participate in the Autoship programme to become or remain an Associate. Please refer to the Compensation Plan for additional details.

4.2 No Inventory Loading. The Isagenix Compensation Plan is based on sales of Isagenix Products to End Consumers. Associates may purchase only that amount of Product that will be consumed by the Associate (and the Associate’s Immediate Household) or promptly sold to End Consumers. Customers may purchase Products only for the Customer’s personal use or the personal use of their Immediate Household, and not for resale. Isagenix prohibits any scheme to purchase Products or to enrol new Customers or Associates, either directly or through others, for the primary purpose of qualifying any Position for any commission, bonus, Rank advancement, special promotion, contest or other incentive.

4.3 Payments and Payment Authorisation. All orders must be accompanied by proper payment, including all applicable shipping and handling charges and VAT. If payment is not made within a timely manner or is reversed or cancelled, you authorise Isagenix to withhold the amount owed from any future Compensation payments.

4.4 Autoship Programme. For convenience, Members may enrol in our optional Autoship programme, depending on market availability, so that Members can automatically receive Isagenix Products on a recurring schedule approximately every 30 days without the need for physically placing an order. We may encourage Associates to participate in the Autoship programme to receive best pricing, but Associates are not required to join the Autoship programme in order to participate in the Compensation Plan or business promotions.

4.5 Resale of Products. You must be an Associate to purchase Isagenix Products for resale. However, no Associate (or Customer) may sell, offer or otherwise provide Isagenix Products to third parties for the purpose of resale through the Internet or other electronic commerce channels. Nor may any Associate sell or offer to a third party any quantity of Isagenix Products greater than that generally purchased by an individual for personal use or for the use of the person’s Immediate Household without prior express written consent of Isagenix Field Relations Board. Associates may not (directly or indirectly through any intermediary or instrumentality) offer, display or sell, or facilitate the offering, displaying or selling of Isagenix Products on a retail basis in any manner (including online auctions websites such as eBay or Amazon, e-commerce websites, retail websites, social media sites or apps, adverts and television), except as follows: (1) through an Isagenix-provided Associate Replicated Website; (2) in service-related and by-appointment businesses, where the primary source of income is from such services and not from product sales (for example in salons, spas, offices, health clubs and weight loss clinics); and (3) through any special programme initiated and expressly approved by Isagenix. When marketing Isagenix Products, you may use only Isagenix-produced or Isagenix-approved literature, banners and signs. Isagenix also strictly prohibits the sale of Isagenix Products in any jurisdiction where sales are not permitted or where Isagenix is not officially open for business. These obligations and prohibitions continue even after any termination or cancellation of your relationship with Isagenix.

If you sell any Isagenix Products through auction sales, on online auction sites, or through any other unauthorised website or channel, in addition to any other remedies hereunder or available by law, you agree to pay Isagenix four hundred Euro (£400.00) for each unit of Isagenix product in each instance of a prohibited, unauthorised and/or non-compliant sale. You acknowledge and agree that a breach of such obligations will cause irreparable harm and damage to Isagenix and expressly waive any defence to Isagenix claim to such liquidated damages on the basis that actual damages are unascertainable or that such liquidated damages do not represent a reasonable determination of damages or penalties.

If you know, or reasonably should have known, that Products were sold to a third party for the purposes of resale through unauthorised channels, in addition to any other remedies hereunder or available by law, you agree to pay Isagenix four hundred Euro (£400.00) for each unit of Isagenix product in each instance of a prohibited, unauthorised and/or non-compliant sale. You acknowledge and agree that a breach of such obligations will cause irreparable harm and damage to Isagenix and expressly waive any defence to Isagenix claim to such liquidated damages on the basis that actual damages are unascertainable or that such liquidated damages do not represent a reasonable determination of damages or penalties.

4.6 VAT Registration. If you are a VAT registered and have received a VAT registration number subject to the conditions listed below you may submit that VAT registration number for purchasing from Isagenix. You may only submit your VAT registration number if you acknowledge and agree to all of the following conditions:

1) You remain responsible for VAT and other reporting obligations, if applicable, and according to your country of residence VAT rules;

2) The VAT registration number and the VAT registration certificate you submit to Isagenix belongs to the business you operate, and that business is registered for VAT purposes in your country of residence;

3) All transactions on your Isagenix Account will be business-related transactions made by the business associated with the VAT registration number and VAT registration certificate you submit to Isagenix;

4) Your VAT registration number and VAT registration certificate and all other information provided by you is true, accurate and up-to-date and you will immediately update any such information held by Isagenix in the event of any change;

5) Isagenix reserves the right to charge you any applicable unbillable VAT if you provide a VAT registration number that is determined to be invalid, not in accordance with your business details, or that
Section 5. Protecting Your Business

5.1 Out-of-Market Sales. Isagenix offers an International Sponsorship programme in which you may benefit from sales of Isagenix products outside of your Home Region. However, you may not sell Isagenix products or promote the Isagenix opportunity in countries or territories that have not been officially opened by Isagenix. You also may not sell or promote Isagenix Products or literature designed for the Netherlands, or by phone: +353 (0) 800 817102 for the Republic of Ireland; +31 (0) 800 023 4002 for the Netherlands. Where, under the provisions of your agreement with Isagenix, the cost for a return is paid by you this cost will not exceed the standard mailing cost applicable in the Netherlands/the Republic of Ireland even if the returns are made to an address that is not in the Netherlands/the Republic of Ireland.

5.2 Confidential Information. To assist you in building an Isagenix business, and in reliance on your agreement to the terms of this Section, Isagenix may supply you with, or grant you access to, certain reports and other confidential and/or proprietary information that belongs to Isagenix. This information includes, but is not limited to, marketing plans and strategies, products, purchases, pricing, relationships with vendors and suppliers, and the identities of and contact information for Isagenix Associates and Customers provided to you in any document or report, and the identities of and contact information for Associates and Customers with whom you first became acquainted as a result of your relationship with Isagenix, whether or not they are in your Marketing Organisation (collectively, “Confidential Information”).

To protect your business and the businesses of all Associates, you acknowledge and agree that the Confidential Information belongs to Isagenix and must be kept completely confidential for as long as such information is deemed by Isagenix to be confidential. You agree that you will not, directly or indirectly through a third party, use or disclose any Confidential Information for any purpose unrelated to your Isagenix business, whether during the term of your association with Isagenix or thereafter. You acknowledge that the Confidential Information is of such character as to render it unique and that disclosure or use thereof in breach of this policy will result in irreparable damage to Isagenix and its Associates. You recognise and agree that misuse of the Confidential Information cannot be fully compensated through monetary damages. Accordingly, you acknowledge and agree that Isagenix and its Associates will be entitled to injunctive relief to prevent breach of this Section. If any action is taken to enforce this provision or to obtain injunctive relief or other remedy, the prevailing party shall be awarded attorneys’ fees and costs, including reasonable attorneys’ fees. You understand and agree that in addition to Isagenix, other Associates may be entitled to seek and obtain injunctive relief and other damages if you violate this provision. You understand and agree that the confidentiality obligations and related remedies will survive the termination or cancellation of your relationship with Isagenix.

5.3 Non-Solicitation. As an Associate, you are an independent contractor and therefore are not prohibited from participating in other business ventures, even when those business ventures compete directly with Isagenix. However, to protect the integrity of the Isagenix business and to support and protect your business interests and those of other Associates, during the term of your association with Isagenix and for one year thereafter (collectively, the “Non-Solicitation Period”), you agree that you will not, directly or indirectly, invite any Associate or Customer to join or work with another network marketing, multi-level marketing, or direct selling company. You further agree that, except as otherwise authorised by Isagenix, during the Non-Solicitation Period, you will not introduce, promote, or sell other business ventures, goods, or services to any Associate or Customer. If you violate this Non-Solicitation provision, the Non-Solicitation Period will be extended by one year from the date of your last solicitation of any Associate or Customer. A solicitation includes any direct or indirect attempt to entice or encourage an Associate or Customer to join or work with another network marketing, multi-level marketing, or direct selling company. A solicitation may include communicating information (including through online and social media postings) about another business venture to any Associate or Customer, to the extent a reasonable person would interpret your communication as an attempt to solicit his or her interest in that business venture.

For additional information, please consult the applicable Guidance Documents which can be obtained in your ABO or contact Isagenix Compliance at ComplianceEU@isagenixcorp.com

Violation of this provision is grounds for termination of your Position and may also give rise to other claims for unauthorised use of Confidential Information. You acknowledge that a breach of this policy will result in irreparable damage to Isagenix and its Associates. You recognise and agree that violations of this policy cannot be fully compensated through monetary damages. Accordingly, you acknowledge and agree that Isagenix and its Associates will be entitled to injunctive relief to prevent breach of this policy. If any action is taken to enforce this policy or to obtain injunctive relief or recover damages, the prevailing party shall be awarded its costs and reasonable attorneys’ fees. You understand and agree that in addition to Isagenix, other Associates may be entitled to seek and obtain injunctive relief and other damages if you violate this provision. You understand and agree that the non-solicitation obligations and related remedies will survive the termination or cancellation of your relationship with Isagenix.

5.4 Changing Marketing Organisations. To protect the integrity of the Compensation Plan, and to protect the business interests of each Marketing Organisation in Isagenix, no Associate or Customer, whether...
current or former, may move to a different Marketing Organisation or change his or her Enrolling Sponsor, except as expressly provided otherwise by these Policies. Specifically, if you wish to resign and later reenrol with a different Enrolling Sponsor or be placed in a different Marketing Organisation, you may apply to reenrol after the appropriate waiting period has passed, as set forth in Section 3.5. Isagenix may deny reenrolment at its sole discretion.

Any attempt to circumvent this policy, including any attempt to conceal an improper re-enrolment (for example, by enrolling under someone else’s name or a business entity, submitting false information to Isagenix, or working a business for someone else), is grounds for corrective action against all who had knowledge of or involvement in the improper activity, up to and including monetary fines and termination of their Position(s).

It is also a violation of your Associate Contract to solicit or encourage any Associate or Customer to change Marketing Organisations. There are various variations of this happen such as direct solicitation or encouraging another Associate in order to encourage someone to resign and re-enrol with another Marketing Organisation. Soliciting or encouraging another Associate or Customer to change Marketing Organisations may be deemed a violation of this Section even if such Associate or Customer waits out the appropriate amount of time under Section 3.5.

5.5 Anti-Manipulation. Isagenix encourages Associates to do their best to fairly and honourably maximise their opportunity to earn compensation under the Compensation Plan in a legal and ethical manner. To help foster and maintain fairness and a level playing field for all Associates, any attempt to manipulate the Compensation Plan is strictly prohibited and is grounds for immediate corrective action, up to and including monetary fines and termination of the involved Position(s). Evidence of manipulation may include, but is not limited to the following:

• Fictitious enrolments, including enrolments using false or incomplete contact information or identification, or information that cannot be verified using reasonable efforts. To obtain credit for an enrolment, the Enrolling Sponsor must ensure that his or her enrollee provides genuine and accurate information to Isagenix.

• Uninformed enrolments, including enrolments of individuals who have little or no interest in Isagenix, other than enrolling as a favour to someone, such as a friend or family member, or in exchange for some other benefit, such as free products or some other form of compensation.

• Stacking of enrolments, indicating a coordinated effort where one person or a small group of people strategically place enrolments in a way that benefits, or is intended to benefit, one person or a few people at the expense or to the detriment of others, including the members of IAAAS for the purpose of increasing commissions or bonus payouts or qualifying for Rank Advancements under the Compensation Plan.

• Multiple Associates or Customers using the same method of payment, the same shipping address, the same email address, the same phone number and other activities that may indicate manipulation or attempted manipulation.

The Compensation Plan is designed to offer an income opportunity and other benefits to those who, among other things, devote the requisite time and effort in pursuing this opportunity. The Policies are designed to help protect those efforts and we encourage you to report any suspected manipulative activities to the Compliance Department at ComplianceEU@isagenixcorp.com

5.6 Income Claims. You understand and agree that you will not misrepresent the actual or potential income that may be earned under the Compensation Plan. Any representation about earnings must be based on documented facts, placed in the appropriate context, and accompanied by the appropriate disclosures, including the Income Disclaimers and the Isagenix Earnings Disclosure Statement, both of which can be obtained from your ABO or at IsagenixEarnings.com or at IsagenixCompliance.com. It is your responsibility to include all relevant information to ensure that any representation you make is truthful and not misleading.

5.7 Product and Weight Loss Claims. When describing Isagenix Products and personal experiences with Isagenix, including the use of testimonials (by you or other Members), you understand and agree that you will only describe Isagenix Products and Product experiences in a manner that is consistent with the Product and weight loss claims contained in official Isagenix marketing materials or as otherwise approved in advance in writing by Isagenix. When making any product claim or weight loss claim, you agree to accompany the claim with any appropriate disclaimers, copies of which can be obtained in your ABO or at IsagenixCompliance.com. It is your responsibility to disclose all relevant information to ensure that any representation you make is truthful and not misleading. You understand and agree that you will not suggest that any Isagenix product is intended to diagnose, treat, cure or prevent any diseases or health conditions, unless otherwise approved in Official Isagenix Marketing Materials.

Section 6. Trademarks, Advertising and Internet Usage

6.1 Isagenix Trademarks, Copyrighted Materials, and other Intellectual Property. Isagenix trademarks include the name Isagenix and all variations thereof, as well as the names of all isagenix products and services and other marks as typically indicated by the use of the “™” or “®” symbols. Isagenix trademarks also may include various word combinations relating to isagenix using the prefix “ISA” or the suffix “GENIX”. All Isagenix marketing and sales materials, including audios, videos, websites, posts, print and digital presentations, handouts or books, or other tangible and intangible works of authorship are the copyrighted work of Isagenix.

An Associate may use Isagenix trademarks, copyrighted material, and other intellectual property only with Isagenix prior written permission, which may be expressed through general publication (to all Associates) or through a specific writing to one or more Associates. Without limitation, Isagenix may require conformity with specifications, may require that materials that use isagenix trademarks and/or copyrighted materials be sourced from isagenix or an isagenix-approved supplier, and may otherwise consider the use of its trademarks and copyrighted works. Any permission granted by Isagenix shall constitute a limited, non-exclusive, non-transferable and revocable license to use such trademarks and copyrighted works solely in connection with the Isagenix business. You agree to immediately transfer to Isagenix, upon Isagenix request, any Internet domain name or other registration or application containing an isagenix trademark, including any word combinations using the prefix “ISA” or the suffix “GENIX”. This provision shall survive the termination of your relationship with Isagenix.

6.2 Advertising. Isagenix provides sales tools and other materials that you can use to promote Isagenix products and the income opportunity. Creation of your own materials is discouraged; however, you may use certain other materials, including self-created materials, only under the provision that you first submit the materials to Isagenix corporate for review. All review and copyrighted materials have been properly approved. The materials shall not be used prior to receiving written approval from Isagenix. Isagenix may refuse to approve any materials at its sole discretion. All materials you create must be truthful, accurate and not misleading. Any and all statements about the benefits of Isagenix products or about the Isagenix income opportunity must comply with all Policies and the laws and regulations in the jurisdiction where the materials are used.

6.3 Internet Usage and Social Media. You may use the Internet, including social media, to promote Isagenix products and your business provided you do so in a responsible manner. Isagenix provides useful tools and training materials to help you understand how to use the Internet to promote Isagenix in an effective and socially acceptable manner. You understand and agree that you will abide by all Policies and Guidance Documents relating to internet usage and other materials. The materials shall not be used prior to receiving written approval from Isagenix. Isagenix may refuse to approve any materials at its sole discretion. All materials you create must be truthful, accurate and not misleading. Any and all statements about the benefits of Isagenix products or about the Isagenix income opportunity must comply with all Policies and the laws and regulations in the jurisdiction where the materials are used.

Note: Please refer to the Supplement to the Policies and Procedures on Internet Advertising and Social Media found on IsagenixCompliance.com for further guidance.

6.4 Repackaging and Re-labelling Prohibited. Associates may not delete, add, modify, tamper with, repackage, relabel, relift, or alter the labels on any isagenix products or literature in any way. Nor may Associates break out products from product bundles, Systems and Packs (and sell such products individually). Isagenix products may

ISAGENIX RULES OF MEMBERSHIP
only be sold in their original containers and packaging. Re-labeling or repackaging violates your agreements with Isagenix and could violate laws that generally require persons, including Associates, to implement and adhere to specified quality controls and procedures relating to the repackaging or re-labeling of Isagenix products. Violations of such laws could result in severe criminal penalties. Associates should also be aware that personal civil liability may arise when, as a consequence of the repackaging or re-labeling of products, the person(s) using the product(s) suffers any type of injury or damage. Associates are also responsible for learning and adhering to the proper storing and handling instructions for Isagenix products.

Section 7. Enforcement of Policies

7.1 Remedies. To protect the integrity of the Isagenix culture and to help maintain a level playing field for all Associates, the Compliance Department helps educate Associates about the Policies and actively monitors Associates’ business building activities. If an Associate violates these Rules, the Isagenix Code of Ethics, the Terms and Conditions, any Guidance Documents, or other agreements with Isagenix, or engages in any unethical, illegal, fraudulent, or deceptive conduct, or any other violation of any laws, statutes, or ordinances, we may, at our sole discretion, take one or more of the following actions:

• issue a written advisory;
• revoke recognition or invitation to an Isagenix event;
• suspend or revoke access to special privileges, including executive reports, access to the ABO, access to social media pages and groups, and other privileges;
• impose monetary fines or other penalties, which may be withheld from current or future commissions and/or bonus payments;
• temporarily suspend commissions, bonuses, and other payments;
• remove the Associate from participation in promotions, bonuses, incentive trips, contests and other non-Compensation Plan benefits;
• temporarily suspend or permanently terminate the Associate’s Position(s) and all rights thereto;
• reassign all or part of the Associate’s Marketing Organisation;
• seek compensatory and injunctive remedies, as applicable; and/or
• take any other action or corrective measures that Isagenix deems appropriate under the circumstances.

You understand and agree that Isagenix has the right to withhold payment of all commissions and bonuses during the period that Isagenix is investigating any alleged misconduct. If your Position is terminated due to a breach that occurred prior to the investigation, you will not be entitled to any commissions or bonuses withheld during the investigation period, unless otherwise required by law.

7.2 Field Relations Board. The Field Relations Board reviews disputes, decisions, and actions relating to Associates and their Isagenix businesses. Review requests must be submitted in a timely matter to the Compliance Department at ComplianceEU@isagenixcorp.com. The review request must include all information and documents the Associate believes supports his/her case and that the Associate would like to have considered in the review. All decisions of the Field Relations Board are final.

Section 8. Amendments

Upon proper notification, Isagenix may, at its sole discretion, amend the Terms and Conditions, the Policies, the Compensation Plan, the Guidance Documents and any other materials pertaining to your Isagenix business, including any other agreements entered into between you and Isagenix. You understand and agree that you will be bound by the most current versions of the Terms and Conditions, the Policies, the Compensation Plan and the Guidance Documents, including any updates or revisions since the date of your enrolment, that you might have accepted upon any of the following occurrences: (a) completing the enrolment process to become an Associate or Customer; (b) renewing your annual Membership. We will prompt you to accept any new or amended versions of the above documents upon your log-in to your Account immediately after such new/amended version had been published by Isagenix. We may also inform you of such new or amended versions through the isagenix website or Associate Back Office, email to your email address on file, announcements in any official Isagenix newsletter or other publication, or mailed to you at the address on file.

Section 9. General Provisions

9.1 Waiver. Isagenix never waives its right to insist on compliance (a) with these Rules, the Terms and Conditions, the Guidance Documents, the Compensation Plan and other agreements between Associates and Isagenix and (b) with the applicable laws governing the conduct of a business and network marketing. This is true in all cases, both specifically expressed and implied, unless an officer of Isagenix who has actual and specific authority to bind Isagenix to such waivers explicitly states in writing that Isagenix waives any of these provisions. In addition, any time Isagenix approves a waiver of any provision, that approval is specific to the single occurrence, unless otherwise stated, and does not extend to any other violation, whether past, present or future. This provision deals with the concept of “waiver”, and the parties agree that Isagenix does not waive its rights under any circumstances short of the written confirmation alluded to above.

9.2 Exclusion of Damages. In no event shall any Isagenix officer, director, employee, affiliate, successor or assignee be liable for any special, punitive, indirect or consequential damages, for any claims or actions resulting from or arising out of these Rules or any other agreement you have entered into with Isagenix, the functionality or operation of any website, or any acts or omissions of any Isagenix party, whether based on contract, tort (including negligence), strict liability or any other cause of action.

9.3 Severability and Judicial Modification. If any portion of these Rules is deemed by any arbitrator or court of competent jurisdiction to be invalid or unenforceable, it is your and Isagenix mutual intent that the arbitrator or court shall strike or modify the applicable provision only to the extent necessary to make such provision enforceable, and enforce the provision as modified. In any event, the remainder of these Rules and all other agreements shall remain in full force and effect.

9.4 Survival of Terms. You understand and agree that each of the provisions of these Rules relating to confidentiality, non-solicitation, resale of products, including prohibitions of online sales, arbitration, and other provisions as expressly stated herein will survive the termination of your relationship with Isagenix.

9.5 Governing Law, Complaint Handling and Disputes. These Terms and Conditions are governed by the law of The Netherlands. This means a contract for the purchase of Products from us and any dispute or claim arising out of or in connection with it will be governed by the law of The Netherlands. You and we both agree to that the courts of The Netherlands, or the Republic of Ireland (depending on your residency) will have exclusive jurisdiction.

Any complaints, questions and requests can be made to our Customer Care team as follows: for the Netherlands: by phone at +31 (0) 800 023 4002 or by email at CustomerServiceNL@isagenixCorp.com. Without prejudice to our mutual right to bring any matter relating in any way to your use of the Site or to the Products you have bought from us to the court we would do our best to resolve any such dispute by amicable negotiation to agree a mutually acceptable solution rather than in court. Please discuss issues and direct any claims to our customer service team in the first instance.

2015 EARNINGS DISCLOSURE STATEMENT - GLOBAL

This Earnings Disclosure Statement (the ‘EDS’) reflects statistics based on all Customers and Associates globally in 2015 and therefore is not representative of any potential earnings in the UK as Isagenix UK is a startup and therefore local statistics are not available at this time. At such time as 2016 statistics are available, Isagenix will update this EDS accordingly. Furthermore, in the future when UK statistics are available and reflective of the market in the UK, Isagenix will provide an applicable EDS. The purpose of this EDS is to provide all potential Customers, or Associates with information that identifies how our Members are segmented between the categories of Customers and Associates, the benefits of each category, and provide indicative levels of earnings of Associates in all Isagenix markets combined.

Isagenix provides solutions to transform lives. People choose to join Isagenix for a variety of reasons, but most are simply consumers who wish to enjoy Isagenix products at reduced prices. Many refer other Customers every now and then and may receive some commissions that may help offset the cost of their products. Others join Isagenix to earn a little extra money to supplement their part-time or full-time incomes, and some join to build full-time businesses selling Isagenix products. Everyone who joins Isagenix enjoys low start-up costs and a money-back satisfaction guarantee1.

Building an Isagenix business can be rewarding, but like any worthwhile business, results vary depending on many factors, including your skill, effort and time. Isagenix does not offer ‘get rich quick’ and there are no guarantees of success. Building a long-term business is hard work and Isagenix is no different in that regard. Unlike most businesses, however, building an Isagenix business does not require a significant investment in inventory, sales tools, or other materials. Isagenix Independent Associates (‘Associates’) are strongly discouraged from purchasing more than they can reasonably consume or sell in a given month, and they are protected by our satisfaction guarantee as well as a one-year buy back policy for those who choose to leave the business.

Those who decide to build an Isagenix business have the opportunity to earn money in various ways, including commissions and bonuses based on product purchases made by new and existing Customers, Product Introductory Bonuses, and retail sales, to name a few. Isagenix Associates also can be rewarded for helping other Associates achieve success. However, Associates are not paid for recruiting new Associates. They are paid primarily based on product sales to end consumers. For additional information, the Isagenix Compensation Plan is available to all Isagenix Associates at www.Isagenix.com. The following chart is designed to help prospective Associates better understand the different ranges of average compensation that Isagenix pays to its Associates. It’s important to note that a large majority of those who join Isagenix don’t join to make money at all—they just want to enjoy the benefits of using our products.

The earnings listed in this chart are not a guarantee or projection of actual income that an Associate will earn through his or her participation in the Isagenix Compensation Plan. Any guarantee of earnings would be misleading. Success with the Isagenix Compensation Plan results from successful sales efforts and business development on the part of the Associate.
