

RALLY BEHIND YOUR WORKOUT

AMPED™ Recover is a postworkout supplement with branched-chain amino acids to replenish and rebuild your muscles.†

WHY YOU NEED AMPED RECOVER:

POWER COMBO

A proprietary blend of three branched-chain amino acids (BCAAs) and L-carnitine expedites muscle recovery and stimulates growth.†

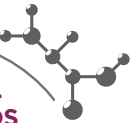

REPAIR AND REBUILD

Promote faster recovery and muscle fiber repair to ease fatigue after exercise.†

ESSENTIAL AMINO ACIDS

Leucine stimulates muscle protein synthesis. Isoleucine and valine help deliver essential nutrients to recovering cells.†

WHAT IS AMPED RECOVER?

AMPED™ Recover is a blend of branched-chain amino acids and other ingredients like L-carnitine and L-glutamine to promote faster recovery and support postworkout muscle building.†
