BUSINESS OPPORTUNITY AND EARNINGS CLAIMS

Isagenix offers an advanced Compensation Plan that is intended to reward Associates for product sales. While some Associates earn substantial amounts of income, most who join Isagenix are primarily product users who never earn any income. Whenever you hear statements about the business opportunity or earnings of an Independent Associate, keep in mind the following:

- Earnings levels for Isagenix Independent Associates depicted at this event substantially exceed the average results achieved by all Associates during the same time period and should not be construed as typical or average. The success stories we share, including recognition of substantial income achievements, the ability to quit a job, or portrayals of improved lifestyles, are intended only to show what is possible with the Isagenix business opportunity, but these results are neither typical nor guaranteed. Earnings depend on many factors, including the individual Associate's business and sales skills, personal ambition and activity, time commitment, and sphere of influence. Isagenix cannot guarantee any particular level of earning. Even Associates who dedicate a significant amount of time and effort may not achieve a meaningful level of success.
- An Isagenix Millionaire is an Independent Associate to whom Isagenix has paid a gross total of \$1 million or more since joining Isagenix.
- All earnings representations reflect gross amounts that do not include a deduction for business expenses associated with pursuing the business opportunity. Business expenses will vary greatly.
- For average earnings, refer to the Isagenix Independent Associate Earnings Statement found in this workbook. It can also be found at IsagenixEarnings.com.

PRODUCT AND WEIGHT LOSS CLAIMS

Isagenix offers innovative products developed to help its Customers reach and maintain nutritional goals – weight loss, more lean muscle, improved health, increased energy, and more. Whenever you hear product or weight loss claims, bear in mind that:

- Product claims have not been evaluated by the U.S. Food and Drug Administration. Isagenix products are not intended to diagnose, treat, cure, or prevent any disease. Any claims to the contrary are not approved by Isagenix.
- Weight loss and other product testimonials reflect individual experiences of Isagenix Customers and are not typical of the results you may obtain. Results vary with individual effort, body composition, eating patterns, time, and exercise.
- In a study performed in 2012 by University of Illinois at Chicago researchers, subjects lost an average of 9 pounds with an average of 2 pounds of the loss from visceral fat after 30 days on an Isagenix System. The subjects also had a greater level of adherence and had more consistent weight loss from week to week compared to subjects on a traditional diet.
- If you are pregnant, nursing, diabetic, on medication, have a medical condition, or are beginning a weight control program, consult your physician before using Isagenix products or making any other dietary changes. Discontinue use if adverse events occur.
