How the Rally Works:

You can earn a trip to Nashville by building and strengthening your business through duplication in your team. This is a rally based on business volume ('BV') produced by all **NEW 4-Level Personally Enrolled Team** members (4PET) who enroll during the contest period.

For Nashville Qualification – Tier 1:

1. CREATE YOUR TEAM

Bring together your team of four (4) and select a team leader. Teams can only have two Directors or above (based on recognition rank) per team. All 4 members of a winning team may qualify for a spot if they meet the minimum individual 4PET 7000 BV qualification.

2. EARN TEAM POINTS

Help new Customers and Associates join Isagenix and grow your 4PET.

3. QUALIFY FOR YOUR SPOT

The top 5 teams (20 PAX) whose combined 4PET generates the most volume during the contest period will win the prize! To claim your place on the trip, you must reach the minimum 4PET 7,000 BV as a member of a winning team.

Additional Rally Rules for Tier 1:

- The Top 5 (20 pax) teams in Indonesia will win the trip to Nashville.
- In order to qualify for a winning spot, your new 4PET must produce a combined minimum of 7000 BV. Even though you may be ranked in the Top 5 teams you will not be eligible to win unless you reach this minimum threshold.
- Members must enroll a minimum of 6 new Personally-Enrolled Members during the contest period.
- No single member of your new 4PET may contribute more than 75% of your total 4PET volume during the contest period.

For Asia Destination Tour Qualification for Tier 2:

1. INDIVIDUAL CONTEST:

Your total 4PET must meet the minimum 4500 BV to win this qualification.

2. EARN TEAM POINTS

Help new Customers and Associates join Isagenix and grow your 4PET.

3. QUALIFY FOR YOUR SPOT

Top 30 Individual will get a chance to win this trip. The Top 30 individuals with the highest BV generated by 4PET will qualify for the prize. To claim your place on the trip, you must reach the minimum 4PET 4500 BV.

Additional Rally Rules for Tier 2

- The Top 30 Individuals in Indonesia will win the trip to Asia Tour.
- In order to qualify for a winning spot, your new 4PET must produce a combined minimum of 4500 BV for Tier 2. Even though you may be ranked in the Top 30 individual, you will not be eligible to win unless you reach this minimum threshold.
- Members must enroll a minimum of 6 new Personally-Enrolled Members during the contest period.
- No single member of your new 4PET may contribute more than 75% of your total 4PET volume during the contest period.

Building Your 4PET (4-level Personally Enrolled Team)

To participate in the Rally, you will need to build a new 4PET - you enroll a new Associate, who then enrolls a new Associate and so on until the new team has four level beneath you. Any of your personally enrolled team members who were enrolled prior to the start of the Rally will not be included in your IsaRally 4PET - these must be completely new enrollments. (See FAQs for additional details).

4PET Example

You enroll Barb and Sam. Barb enrolls Mary and Sarah. Sarah enrolls Tom. Tom enrolls Stacy.

LEVEL	First	Second	Third	Fourth
TEAM MEMBER	Barb, Sam	Mary, Sarah	Tom	Stacy

Success in this challenge is all about the power of duplication! Link arms with 3 other team members to generate the most volume in the contest period.

Example of Building Your New 4PET

Building on the previous example, Barb, Sam, Sarah, Tom, and Stacy were previously enrolled before the contest began, so they do not count towards your qualification. Although, Bob was enrolled by Mary after the contest began, he still would not count towards your qualification because Mary was previously enrolled. To create qualifying volume in the contest, you enroll James as a personally-enrolled team member. James enrolls Ann. Ann enrolls TJ. TJ enrolls Katie. All of the volume generated by these members during the contest will count towards your qualifying volume.
