The weight loss and lifestyle results depicted in this publication may vary depending on level of effort, adherence to a controlled-calorie dietary regime, and physical constitution. The results were achieved when Isagenix products were included as part of a healthy lifestyle that incorporates regular exercise, appropriate portion control, and a varied and balanced diet to meet desired goals. Those who are pregnant, breastfeeding, or have a medical condition are advised to please consult a doctor before using Isagenix products or making any other dietary changes.
