

PLANT-BASED WHOLE BLEND ISALEAN SHAKE

The superfood smoothie that delivers a perfectly balanced meal in a significant way. Just a few ways Plant-Based Whole Blend IsaLean® Shake soars above the rest:

Vitamin diversity, also known as vitamers. Vitamins take on many forms, and Whole Blend Shake sources many of them to cover a wider diversity of nutrients in one meal.

Nutrients sourced from organic whole vegetables. The vitamins and minerals in our vitamin extract blend don't come from just anywhere. Sweet potato, spinach, sunflower seed, shiitake mushroom, maitake mushroom, chlorella, broccoli, pumpkin, and kale all contribute to the vitamer diversity in Plant-Based Whole Blend IsaLean Shake.

Clean, responsible protein. You should know where your protein actually comes from. Plant-Based Whole Blend IsaLean Shake has 24 grams of high-quality plant-based protein from fava beans, mung beans, and peas.

Naturally sweet. Your taste buds won't believe it, but the label isn't lying. 1 gram of added sugar from molasses with zero sacrifice to taste or sweetness.
