Once your Customer Membership Account is open, you may place Product Orders. You may place Orders by selecting the Products you wish to buy. The placing of the Order is considered to be an offer made by you to us to buy the selected Products.

Once selected, the Products will be added to your shopping cart. You may at any time review and modify the content of the shopping cart by changing the quantity of Products, deleting Products or removing the entire content of the shopping cart. Orders can be placed at any time during the day.

An Order shall be considered placed when the following steps have been completed:

- you have read and explicitly accepted these Terms and Conditions, the Isagenix Privacy and Cookies Policy and any other documents you may be prompted to actively accept;

Not all Products may be available at all times. If a Product is out of stock at the time you place your order, we will use reasonable endeavours to inform you before your order is finalised so that you can change or abandon the order.

## 5. Prices and Payment

Except where noted otherwise, the prices of the Products displayed on the Site represent the full retail price for the Products at the moment the Order is placed.

We reserve the right to change the prices at any time and in our sole discretion, but any change to the prices of Products you select before placing your Order will not form part of the contract between us unless you and we expressly agree that it will.

The prices do not include the costs of transport, delivery and any other fees and charges that are clearly indicated as being additional charges to the price during the ordering process and that may vary depending on the delivery method and/or other options chosen by you. Standard shipping and handling charges will usually apply to all Orders unless a promotional shipping rate or other discount is available to you and used at the time you make your purchase. If you have a coupon, discount or promotion code, you must use it before submitting your Order by submitting its code as indicated on the site. We will deduct the value of this from the price.

Payments can be made by credit card. Most major payment cards are accepted. Normally the credit card you are using is not charged until after your order is ready to be shipped. Should your credit card exceptionally be charged before your order has been shipped, you will still be entitled to the refund under Art. 8 of these Terms and Conditions.

For further information about payment methods please contact our Customer Care team as follows: **for the Netherlands:** by phone at 0 800 023 4002 or by email at [CustomerServiceNL@IsagenixCorp.com](mailto:CustomerServiceNL@IsagenixCorp.com); **for the Republic of Ireland:** by phone at 0 800 817102 or by email at [CustomerServiceIE@IsagenixCorp.com](mailto:CustomerServiceIE@IsagenixCorp.com).

For the safety of online payments made with a card, all payment information is encrypted. This means that all data sent between you and us is sent via a secure connection. As Isagenix works with authorised payment service providers, credit card information is handled properly and in accordance with the international payment card industry data security standards.

## 6. Payment Authorisation

You certify that you are the owner of the debit card, credit card or deposit account that you submitted to Isagenix for payment of your purchases. You may elect an authorised user on your Customer Membership Account to act on your behalf regarding payment authorisations, however, you are solely responsible for all activity on your account. You hereby authorise Isagenix to initiate charges or debit entries on the credit card, debit card or deposit account that was submitted (as applicable) for all orders on your Customer Membership Account, including all Autoship orders (plus additional amounts for substituted products if your regular products are unavailable), plus, in each case, any and all applicable VAT and shipping and handling charges. This authorisation will remain in full force and effect until you notify Isagenix of your election to terminate this authorisation. Such notification must be submitted through your Isagenix Customer Account and must be submitted in such time and in such manner as to afford Isagenix and your financial institution a reasonable opportunity to act on it. You agree that Isagenix is not liable for any overdraft or insufficient fund situation or charge (such as finance charges and late fees) caused by your failure to maintain funds sufficient to pay for your Isagenix purchases and charges. If there are insufficient funds in your account, your financial institution and Isagenix may charge reasonable service fees and/or interest.

You agree that, if you apply for the optional monthly Autoship or backup order, your account will be debited on a monthly basis and that you may cancel at any time upon you sending a notice to the Company via a written notice.

We will not be responsible for non-delivery, wrong or late delivery of an order caused by the provision by you of incorrect or incomplete personal data.

We reserve the right to reject at any time an order placed by you if we have reasonable doubt that some of your acts may have not been in compliance with the Terms and Conditions. We will refund in full any payment you might have already made.

## 8. Right to Cancel Orders

You have the right to cancel, a contract/order for Products without giving any reason. **The cancellation period will expire after 14 days from the day on which you acquire, or a third party other than the carrier, and indicated by you, acquires physical possession of the Products.**

The deadline is met if you send back the Products before the period of 14 days has expired. You will bear the direct cost of returning the Products.

We may make a deduction from the reimbursement for loss in value of any Products supplied if the loss is the result of unnecessary handling of the Products by you.

If you cancel your contract/order, Isagenix will make the reimbursement using the same means of payment as you used for the initial transaction unless you have expressly agreed otherwise; in any event you will not incur any fees as a result of the reimbursement. We may withhold reimbursement until we have received the Products back or you have supplied evidence of having sent back the Products, whichever is the earliest.

We will reimburse all delivery costs even if you cancel only part of your order.

While you are in possession of the Products, you should exercise reasonable care in keeping them.
