

Whole Blend IsaLean™ Bar

A supercharged, nourishing whole meal in the most convenient way

Vitamin diversity

Vitamins take on many forms and Whole Blend IsaLean Bar sources many of them in the form of vitamins to cover a wider diversity of nutrients into one meal.

Nutrients sourced from organic whole vegetables

Sweet potato, spinach, sunflower seed, shiitake mushroom, maitake mushroom, chlorella, broccoli, pumpkin and kale all contribute to the vitamin diversity in Whole Blend Bar.

Clean, responsible protein

Whole Blend Bar is designed with a unique, multifaceted blend of proteins from whey, milk and egg whites, making it abundant in branched-chain amino acids.
