The specific market values are calculated using the Foreign Exchange Multiplier. To calculate your market's equivalent, simply multiply the U.S. amount shown by the applicable Foreign Exchange Multiplier for that specific market. This value is subject to change every quarter based on published exchange rates and will be valid for the following quarter.

Open to all Associates, regardless of rank. This promotion is available in Malaysia and ends Sept. 1, 2019. New Members must order a qualifying pak at the time of initial enrollment in the same commission week. Once you reach your second new Member who purchases a qualifying pak in a commission week, you will qualify for the double PIB. If a new Member purchases more than one qualifying pak, the double PIB will only count on one pak. Limit one double PIB per new Member enrolled.

Promotion rules are subject to change by Isagenix at any time without prior notice. Isagenix reserves the right to adjust or deny recognition or other awards to prevent or correct any attempts to circumvent the rules or to manipulate the promotion and to ensure that the spirit of the promotion is achieved.

If a Member returns his/her qualifying pak, BV will be adjusted accordingly.

TIN (NRIC) validation must be completed before qualification period or you will not be eligible for Recognition/payout. † A commission week begins at 12 a.m. Monday EST and runs through the following Sunday until 11:59 p.m. EST.
