How are Team Building Bonuses paid?

- €40 Consultant Bonus is paid 1 week in arrears.
- €81 personally enrolled Consultant Development Bonus will be paid 1 week in arrears.
- Crystal Manager, Crystal Director and Crystal Executive will be paid 1 week in arrears.
- Cycle bonuses are paid 2 weeks in arrears.

What counts toward my achieved rank?

1. Team Bonus Cycles (One Cycle is worth €43,90)
2. Executive Match
3. Cycles earned from PIB

Example: Jane Doe is a Paid-As Executive and Cycles 37 times in one commission week. That same commission week, Jane earns one Cycle from her Executive Match and 2 Cycles from €106 in PIBs when two new Members each purchased an Ultimate Pack in one commission week.

Cycle	Earned from
37	Team Bonus Cycles
1	Executive Match
2	Cycles earned from PIB
40	TOTAL

In this scenario, Jane would achieve 3-Star Golden Circle (40 Cycles + Paid-As Executive) and receive the first payment €1.219,50 of her €2.439 3-Star Golden Circle bonus.

Please note that your achieved rank will not be verified until the week it is paid out.

How are Cycles earned from PIB calculated?

Cycles earned from PIB are calculated by dividing the total PIBs earned in one commission week** by the Cycle value. In the example shown above, Jane earned €106 from two people who joined in one commission week. Two people joined with an Ultimate Pack of €53 PIB. You divide the €106 PIB by €43,90 to equal 2,42, which rounds down to 2 PIB Cycles (Double PIBs are not included in the PIB Cycle calculation.)

Key Terms

Active Rank – An Associate’s lowest Paid-As Rank on any given day in a commission week**. For example, if an Associate’s achieved rank is Director and he or she maintains that rank every day for a week except for Thursday, when they were a Manager, the Associate’s active rank for the commission week would be Manager.

Paid-As Rank – The rank that an Associate qualifies for on a given day based on the Associate’s PV and the Paid-As status of their personally enrolled team members.
