WHY AMPED TRI-RELEASE PROTEIN SHOULD BE ADDED TO **YOUR WORKOUT**

LEAN MUSCLE DEVELOPMENT

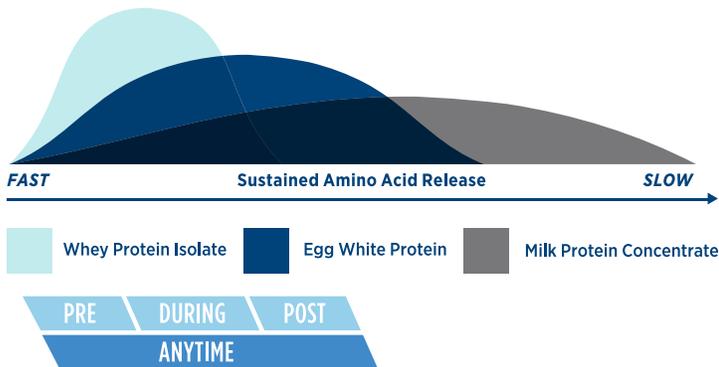

A blend of three proteins plus patented Velositol® work together to enhance muscle protein synthesis — the body's natural process of building muscle upon exercise.

BETTER PERFORMANCE

Protein helps the body recover from strenuous activity, and this blend of three proteins offers a sustained amino acid release, which supports muscle recovery over time.

COMPLETE NUTRITION SYSTEM

AMPED™ Tri-Release Protein completes the ideal nutrition system for before and after your workout with protein that can be used even on days you are not working out.
