

# FiberPro™

The most complete multi-fiber complex that helps to support natural digestion and regularity.

## Reasons why FiberPro is important for your body:

- The advanced FiberPro formula, which contains five different sources of plant fiber, helps to speed up the movement of food through the digestive system naturally, helping to promote regularity and reduce constipation.\*
- FiberPro contains the exclusive Isagenix Active6 Complex of probiotics which helps restore the balance of healthy bacteria.\*
- FiberPro contains both insoluble and soluble fiber, which provides bulk and helps you to feel full longer.
- The American Dietetic Association recommends consuming 25–35 grams a day. Each serving of FiberPro gives you 5 grams of fiber to help you meet those needs.
- Add to your daily IsaLean® Shake! An easy and convenient way to get fiber everyday.

## Frequently Asked Questions

### How is FiberPro different from other fiber products?

FiberPro is the most complete multi-fiber complex, containing five different sources of plant fiber, and exclusive Isagenix® Active6 Complex of probiotics, which helps to restore the balance of healthy bacteria. FiberPro includes soluble fiber to promote regularity and insoluble fiber to absorb impurities which increases the cleansing action.\*

### How do I use FiberPro?

As part of your Isagenix system, take one to two servings daily. Each serving adds 5 grams of fiber to help you fill the gap in getting the recommended daily amount of fiber. For each serving, stir 1 scoop into your beverage of choice. It will dissolve in any liquid, including water, juice, yogurt, IsaLean® Shakes and Soups and even Cleanse for Life™. Use with Isagenix Multi-Enzyme Complex™ and *IsaFlush!*® for a complete digestive solution for reducing digestive problems like gas and constipation.

### Why do I need FiberPro?

More than 95 million North Americans suffer from recurring digestive problems that can be easily alleviated by including enough prebiotic fiber and probiotics in the diet. The advanced formulation of FiberPro and its fully soluble form make it an ideal way to incorporate supplementation of these key nutrients into your daily routine.

### How does FiberPro enhance Nutritional Cleansing?

By gently enhancing regularity and increasing the removal of impurities, FiberPro is an ideal addition to Nutritional Cleansing and any total health and wellness lifestyle. Each serving of FiberPro adds 5 grams of insoluble and soluble fiber to your diet. FiberPro includes soluble fiber to promote regularity and insoluble fiber to absorb impurities which increases the cleansing action.\* The fiber also helps you to feel full longer and curb your appetite.

### How much fiber should I be getting daily?

Studies indicate that adults should have a daily intake of 25 to 35 grams of fiber. The five grams of fiber in every serving of FiberPro help close the gap on this deficiency and complement the fiber you receive from IsaLean Shakes and Soups.

### How can FiberPro help gastrointestinal and colon health?

FiberPro promotes bowel regularity and promotes cleansing of the colon.\*

### Is FiberPro gluten and lactose free?

Yes.

### How can I use FiberPro with other Isagenix® products to increase my fiber intake?

Adding one serving of FiberPro to an IsaLean Shake delivers 12 total grams of fiber. One serving added to an IsaLean Soup delivers 9–10 total grams of fiber. Plus, one serving of our SlimCakes® will add an additional 5 grams of fiber!
