### Natural state

15 calories; 0 grams of added sugar

### 100% recyclable bottles

Helps to conserve vital resources to keep our earth balanced.

### Escape to serenity

Can be taken any time of the day whenever you need a shot of calm.

## The Adaptogens

### Rhodiola

A versatile botanical that helps manage the impact of physical and mental stress.

### Schisandra

This physical fatigue fighter is also known as the endurance adaptogen.

### Ashwagandha

The time-tested relaxation adaptogen used throughout the world.

### Astragalus

A healing herb that supports immune health.

### Eleuthero root

This brain booster gives you better focus and improved cognitive function.

### Kombucha Black Tea Blend

Effervescent for an uplifting, botanical taste.
