How do Rank Advancement and Consultant Development Bonuses Work?

Recognition Title	Bonus
Personally achieve Consultant	£37
Develop 2 personally enrolled Consultants (£74 each)	£148
Personally achieve Manager	—
Personally achieve Crystal Manager (within 60 days of joining*)	£185
Develop 4 more personally enrolled Consultants (£74 each)	£296
Personally achieve Director	—
Personally achieve Crystal Director (within 120 days of joining*)	£555
Develop 4 more personally enrolled Consultants (£74 each)	£296
Personally achieve Executive	—
Personally achieve Crystal Executive (within 180 days of joining*)	£740
Develop 10 more personally enrolled Consultants (£74 each)	£740
Total Possible in RAB and Consultant Development Bonuses	£2,997

How are Team Building Bonuses paid?

- £37 Consultant Bonus is paid 1 week in arrears.
- £74 personally enrolled Consultant Development Bonus will be paid 1 week in arrears.
- Crystal Manager, Crystal Director and Crystal Executive will be paid 1 week in arrears.
- Cycle bonuses are paid 2 weeks in arrears.

What counts toward my achieved rank?

1. Team Bonus Cycles (One Cycle is worth £40)
2. Executive Match
3. Cycles earned from PIB

Example: Jane Doe is a Paid-As Executive and Cycles 36 times in one commission week. That same commission week, Jane earns one Cycle from her Executive Match and 3 Cycles from £100 in PIBs when two new Members each purchased an Ultimate Pack in one commission week.

Cycle	Earned from
36	Team Bonus Cycles
1	Executive Match
3	Cycles earned from PIB
40	TOTAL

In this scenario, Jane would achieve 3-Star Golden Circle (40 Cycles + Paid-As Executive) and receive the first payment £1,110 of her £2,220 3-Star Golden Circle bonus.

Please note that your achieved rank will not be verified until the week it is paid out.

How are Cycles earned from PIB calculated?

Cycles earned from PIB are calculated by dividing the total PIBs earned in one commission week** by the Cycle value. In the example shown above, Jane earned £100 from two people who joined in one commission week. Two people joined with an Ultimate Pack of £50 PIB. You divide the £100 PIB by £40 to equal 2.98, which rounds up to 3 PIB Cycles (Double PIBs are not included in the PIB Cycle calculation.)

Key Terms

Active Rank – An Associate’s lowest Paid-As Rank on any given day in a commission week**. For example, if an Associate’s achieved rank is Director and he or she maintains that rank every day for a week except for Thursday, when they were a Manager, the Associate’s active rank for the commission week would be Manager.

Paid-As Rank – The rank that an Associate qualifies for on a given day based on the Associate’s PV and the Paid-As status of their personally enrolled team members.
