

Great For:

- Adults who want to boost metabolism and want additional support on Cleanse Days

Natural Accelerator™

Maintain Your Optimal Metabolism.

What is Natural Accelerator?

Natural Accelerator is a powerful, natural supplement that contains nutrients which support fat and protein metabolism.

Why do you need Natural Accelerator?

- **Natural Thermogenic Ingredients**
Carefully selected cayenne, green tea, cinnamon and ginseng help to increase energy.
- **No Nasty Stimulants**
Natural Accelerator does not use any stimulants that cause flushed or jittery feelings.
- **Support Healthy Metabolism**
Alpha-lipoic acid converts glucose into energy to help your body achieve maximum performance.

How does Natural Accelerator work?

Natural Accelerator uses natural ingredients such as cayenne, green tea, cinnamon and ginseng to support thermogenesis and help boost metabolism.

Ingredients

Cayenne

Contains capsinoids, which are shown to stimulate thermogenesis and aid digestion.

Green Tea

Contains antioxidants that defend against free radicals.

Chromium

Supports metabolism of carbohydrates, fats and proteins.

Not suitable for children. Vitamin supplements should not replace a balanced diet. The recommended dose provides small amounts of natural caffeine.
