

ISAGENIX SUPPLEMENT TO THE POLICIES AND PROCEDURES

COMPLIANCE GUIDANCE ON COLLAGEN ELIXIR

Isagenix's Collagen Elixir is one of the company's bestselling products. With all of the enthusiasm around the product, we understand that many Isagenix Independent Associates want to share information about it on social media and elsewhere. The purpose of this document is to provide guidance on how to share information about Collagen Elixir compliantly. This will help keep the company and your business safe.

Here are some 'approved claims' for Collagen Elixir

- Double Nutri Technology to assist with nutrient absorption
- Consume daily
- 5 grams of marine collagen per serving
- Superfood ingredients like goji, aloe vera, acerola berry, chamomile and more
- Natural botanical ingredients provide key vitamins, minerals and antioxidants to promote healthy skin

And here is some guidance on before and after photos:

1. Always include the following disclaimer prominently on the photo:
 - a. Results not typical. For best results, consume one bottle daily for at least 30 days.¹
2. Share real results — provided the results are consistent with approved claims. Do not post results that are simply not credible. Even if you comply with all the standards in this guidance document, keep in mind that photos depicting an extraordinary or unbelievable transformation may not come across as credible.
3. Make sure that any before and after photos you post do not indicate that any results depicted were achieved in less than 30 days of using Collagen Elixir.
4. Practical guidelines:
 - a. Use a high-resolution camera if possible.
 - b. Use the same camera angle for both before and after photos.
 - c. Take both photos in the same location with the same lighting.
 - d. Do NOT edit or use filters of any kind on either photo.
