

# IsaOmega™

Health Functional Food with EPA and DHA for blood circulatory health of modern people.

## WHAT IS IsaOmega™ ?

IsaOmega™ provide 1000 mg/day of EPA and DHA, which are prone to lack in daily life. Omega-3 is made of safe and high-quality raw material and it is added to IsaOmega as the latest technology, rTG form which removes saturated fatty acids while maintaining a similar form to natural form.

As an adjunct, it contains Borage oil and Evening primrose seed oil, and vitamin E is included to better protect EPA and DHA, which can be easily oxidized during the distribution period.

Lemon aroma oil, lime aroma, and rosemary extracts are included in IsaOmegaMen™, so they can decrease the smell of the fish and make people refresh after eating it.

## WHY NEEDS IsaOmega™ ?

EPA and DHA are some types of unsaturated fatty acids that are not sufficiently synthesized in the body and therefore must be consumed from outside.

## HOW DOES IsaOmega™ WORK?

IsaOmega™ provide 1000 mg/day of EPA and DHA, which are prone to lack in daily life.

- EPA and DHA - Improve blood triglycerides and improve blood flow
  - Can help improve memory
  - Can improve dry eyes, which can be beneficial to eye health

## HOW TO USE:

Take 2 capsules twice a day with water
