

ULTIMATE PROTECTION

CYTOACTIVES uses advanced scientific technology to support overall health from the inside out.

WHY YOU NEED CYTOACTIVES:

POWERFUL ANTIOXIDANTS

Resveratrol, CoQ10, and tocotrienols protect against free-radical damage to fight the signs of aging at the cellular level.†

OVERALL HEALTH

Delivers vitamin D3 and full-spectrum tocotrienols to benefit heart, liver, bone, immune, and brain health.†

YOUTHFUL ENERGY

CoQ10 helps boost cell function and supports energy production.†

WHAT IS CYTOACTIVES?

CytoActives helps support the body in rebuilding and restoring its vital systems, increase energy production, and combat the effects of cellular aging.†

HOW CYTOACTIVES WORKS:

Over time, we begin to lose our ability to fully synthesize the nutrients we need. CytoActives works to nourish your body at the cellular level using the latest bioactive ingredients to help offset factors that contribute to age-related decline.†

NUTRIENTS IN ACTION

The vitamin D in CytoActives supports bone, immune, and cardiovascular health. Tocotrienols provide antioxidants, which help protect cells against free radicals and environmental toxins. CoQ10 and resveratrol help support cellular health in the heart, brain, liver, kidneys, and muscles.†

Perfect For:

- Daily use by adults, but this can be used by teenagers as well. People under 18 years old should consult their physician before using CytoActives.

WHAT'S INSIDE

CYTOACTIVES CONTAINS:

CoQ10, vitamin D3, resveratrol, and full-spectrum vitamin E with tocotrienols along with a blend of Adaptogens, botanicals, and antioxidants.

CoQ10

CytoActives has a clinically supportive dose of 100 milligrams that utilizes a novel delivery system. CoQ10 supports heart health and antioxidant benefits.†

VITAMIN D3

As we age, our ability to synthesize vitamin D from natural sources, such as sunlight, declines. CytoActives contains vitamin D3, the active form needed to elevate blood levels, which supports bone, immune, and cardiovascular health.†

RESVERATROL

CytoActives contains resveratrol, which supports cardiovascular health, energy metabolism, and healthy aging as well as red grape and pomegranate extracts to help protect cells from free radicals.†

TOCOTRIENOLS

CytoActives delivers 40 milligrams of naturally sourced tocotrienols from sustainably sourced red palm oil, which provides a complete vitamin E profile, including both tocopherols and tocotrienols. Tocotrienols support antioxidant and cellular protection against free radicals and environmental toxins.†

ADAPTOGENS

CytoActives contains Adaptogens, including wolfberry, ashwagandha, and turmeric, to help balance the body's systems.
