

# Whey Thins™

Crunch Away Cravings.

## What are Whey Thins?

Whey Thins are savoury and delicious protein-packed snacks in convenient, 100 Cal individual servings.

## Why do you need Whey Thins?

- **Convenient**  
Individually packaged 100 Cal servings are quick and easy on the go.
- **Support Weight Loss and Lean Muscle Maintenance**  
10 grams of high-quality undenatured protein helps keep hunger at bay.
- **Gluten-Free**  
Whey Thins are perfect for people with gluten sensitivities.

## How does Whey Thins work?

Whey Thins contain 10 grams of high-quality protein, come in two delicious flavours and can help you kick the chip habit for good, by keeping you satisfied between meals. Containing natural ingredients with no artificial flavours or colours, Whey Thins help you reach your weight-loss goals, one bite at a time.

## Whey Protein in Action

In addition to satisfying cravings without loading the calories, every Whey Thins serving helps support weight loss and lean muscle maintenance because they are packed with a combination of high-quality protein, good fats and carbohydrates.
