

# Collagen Elixir

Enhance your natural beauty and illuminate from the inside out with an indulgent 5g of marine collagen peptides. Collagen Elixir is designed to give you a boost of collagen that naturally declines as we age and helps nourish your skin for a smooth and hydrated complexion.

Our marine collagen is both ethically and sustainably sourced from the beautifully blue ice waters of the Scandinavian Ocean, following strict environmentally friendly practices that help support marine diversity. Manufactured in a Marine Stewardship Council certified carbon neutral facility, which guarantees our product has met a science-based set of standards that care for the ecosystems our wild fish are part of and handled with care throughout the entire supply chain.

- 5 g synchronised marine collagen per serve
- Double Nutri Technology to assist with nutrient absorption
- 5 g fish protein
- Vitamin C, biotin and zinc
- Fruit and botanical ingredients like goji, aloe vera, acerola berry, chamomile and more
- Preservative Free
- Premium glass packaging sealed in 0.15 seconds to prevent oxidation
- 100% Recyclable packaging
