

Great For:

- Adults looking to decrease the effects of ageing with antioxidant and vitamin support

Ageless Actives™

Age Healthily From The Inside Out

What is Ageless Actives?

A daily supplement containing Vitamin D3, coenzyme Q10 (CoQ10) and resveratrol to help reduce the signs of ageing from the inside out.

Why do you need Ageless Actives?

- **Active Vitamins**
Contains CoQ10, vitamin D3 and resveratrol in potent amounts
- **Absorb more nutrients**
Supplementing with Ageless Actives helps your body absorb nutrients it might not get from food alone
- **Healthy Ageing**
Contains an effective dose of the active form of vitamin D3 to support bone, immune and heart health

How does Ageless Actives work?

- CoQ10 is critical for generating energy within cells
- Resveratrol is a powerful antioxidant shown to support healthy ageing
- Vitamin D3 helps maintain a healthy immune system

This product is not intended to diagnose, treat, cure, or prevent any disease. Vitamin supplements should not replace a balanced diet.

Do not take while on warfarin therapy without medical advice.

Always read the label. Use only as directed.
