KEEP HANDY

Product Information Sheets (PIS) walk you through each product by defining what the product is, explaining why you need it, and then diving into how it works. The best part? All of this info and more is designed in one cohesive PDF that can be easily downloaded online. Simply go to Isagenix.com, hover over the “Products” tab at the top of the page, choose a product, and select “Product Marketing Materials.”

Isagenix.com provides a full list of Isagenix approved disclaimers. Click the “Disclaimers” link at the bottom of the page.
