

# PRODUCT INTRODUCTION REWARDS

If you have been using Isagenix products and experiencing results, you may have noticed people starting to ask you what you're doing differently. In this case, sharing Isagenix can come naturally, as you recommend the products to friends and family who have similar health goals to you.

## STARTING 27 MARCH 2017

► We reward our Customers for sharing Isagenix with others. You can earn Product Introduction Rewards coupons when you help a new Customer join and order a qualifying system. You can even earn Double Product Introduction Rewards for sharing two or more qualifying systems in the same week.\*

**NEW CUSTOMER + QUALIFYING PACK = PRODUCT COUPONS FOR YOU!**

Enrolling sponsor and organisation receive full business volume when product introduction coupons are redeemed. Coupons will appear in the Customer's Back Office approximately one week after the qualifying order has been placed. Double Product Introduction Rewards coupons will be loaded through multiple coupons in the Customer's account. Coupons are non-transferable and may be used for purchase of commissionable products only, cannot be used on charitable donations or toward shipping costs, and are available for one-time use only, unless otherwise noted. Entire Product Introduction Rewards value must be redeemed within your country of residence. Limit one Product Introduction Rewards coupon per transaction. No credit or cash back. Enter coupon code into the 'Coupons' section of the 'Check Out' page and click 'Apply Coupon.' Amounts shown in USD are subject to the Isagenix Foreign Exchange Policy and are subject to change.
