

Isagenix Greens™

Complement your Nutrition.

Great For:

- Anyone who wants to complement daily fruit and vegetable intake
- Anyone who wants a delicious, nutritional drink

What is Greens?

Isagenix Greens is the tasty, convenient way to complement your daily intake of whole fruits and vegetables. It's a delicious, phytonutrient drink powder made from a proprietary blend of more than 30 premium vegetables, herbs and botanicals.

Why do you need Greens?

- **Everyday Convenience**
Easy and convenient to mix and drink on the go.
- **Fantastic Taste**
Isagenix Greens tastes amazing on its own or in an IsaLean™ Shake.
- **Superfood Nutrition**
The perfect complement to your daily intake of colourful fruits and vegetables.

How does Greens work?

Greens contains more than 30 natural ingredients from vegetables, herbs and botanicals to provide a broad variety of phytonutrients and antioxidants to support overall health and well-being. Each serving of Greens contains only and 1 gram of sugar.

Combating the average diet

Most people do not consume the daily recommended intake of colourful fruits and vegetables. Greens is a quick, easy and delicious way to get more nutrition and complement a healthy diet of whole fruits and vegetables.

*If you are pregnant, breastfeeding or taking medication, consult your general practitioner before using this product. Discontinue use if adverse reaction occurs. For ages 4+.
