

# Plant-Based Whole Blend IsaLean Shake

The superfood smoothie that delivers perfectly balanced nutrition in a significant way. Just a few ways Plant-Based Whole Blend IsaLean™ Shake soars above the rest:

MADE WITH NATURAL INGREDIENTS.  
NO ARTIFICIAL FLAVOURS,  
COLOURS, OR SWEETENERS.

**Vitamin diversity, also known as vitamers.** Vitamins take on many forms, and Whole Blend Shake sources many of them to cover a wider diversity of nutrients.

**Nutrients sourced from whole vegetables.** The vitamins and minerals in our vitamin extract blend don't come from just anywhere. Sweet potato, spinach, sunflower seed, shiitake mushroom, maitake mushroom, chlorella, broccoli, pumpkin, and kale all contribute to the vitamin diversity in Plant-Based Whole Blend IsaLean Shake.

**Clean, responsible protein.** You should know where your protein actually comes from. Plant-Based Whole Blend IsaLean Shake has 24 grams of plant-based protein from fava beans, mung beans, and peas.

**Naturally sweet.** Your taste buds won't believe it, but the label isn't lying.
