

IsaMove™

Health functional food providing Magnesium

WHAT IS ISAMOVE?

Health functional food providing Magnesium that is necessary for body energy and to maintain nerve/muscle function.

WHY NEEDS ISAMOVE?

It is hard to get enough Magnesium from a modern lifestyle as our eating habits rely on refined and processed foods. IsaMove provides enough Magnesium for the daily intake amount and helps to maintain overall health and vitality.

HOW DOES ISAMOVE WORK?

- **Supplies 350mg of Mg daily** Supplies 111% of RDA of Magnesium
- **Supports energy utilization** Supports energy production and utilization.
- **Maintain nerve/muscle function** Helps to normal maintenance of nerves and muscles by contributing biochemical or physiological process that happens in nerves & muscles system.

HOW TO USE:

Take 2 capsules daily before bed
