## AMPED BCAA PLUS IS THE LOYAL BEST FRIEND YOUR WORKOUT NEEDS

It's loaded with essential amino acids, including leucine, isoleucine, and valine, to help you create lean muscle and sustain energy levels and performance so you can truly enjoy your active journey. Considered to be a foundation of supplement regimens, amino acids can benefit the human body during exercise and rigorous workouts.<sup>†</sup>

When you take AMPED™ BCAA Plus, you're showing your workout the respect it deserves. Our bodies are built to move in motion, so it's only fitting to fuel your active regimen with a product that can do the same for you.

Whether you're at hot yoga class or a kickboxing workout, your body will crave that boost in between your breaks to keep your body pushing through.

AMPED BCAA Plus is with you every step of the way.

### PERFECT FOR:

- Active adults who want to sustain energy levels and burn fat during exercise.
- Anyone 18 or older who is looking for an intra-workout drink.

# WHY AMPED BCAA PLUS SHOULD BE ADDED TO YOUR **WORKOUT**

## BODY SUPPORT

This intra-workout product provides a blend of BCAAs and L-carnitine to help support muscle endurance, reduce exercise-induced fatigue, and burn fat during exercise.†

## BETTER PERFORMANCE

The primary amino acids in AMPED™ BCAA Plus — leucine, isoleucine, and valine — stimulate muscle protein synthesis and fuel muscles during workouts.†

## COMPLETE NUTRITION SYSTEM

AMPED BCAA Plus completes the ideal nutrition system for before, during, and after your workout to ensure the body is supported with what it needs during each phase.
