The ability to earn income under the Isagenix Compensation Plan depends on many factors including an individual Isagenix Independent Associate's business, social, and sales skills; personal ambition and activity; availability of time and financial resources; and access to a large network of family, friends, and business contacts. Isagenix cannot and does not guarantee any particular level of earnings. Even Associates who dedicate a significant amount of time, effort, and personal funds may not achieve a meaningful level of success. For average earnings, refer to IsagenixEarnings.com.
