

IsaPro™

Simply Whey Protein. Always Delicious.

What is IsaPro?

IsaPro is 27 grams of high-quality, undenatured whey protein concentrate per serve, available in delicious Vanilla flavour.

Why do you need IsaPro?

- **Break That Plateau**
Using IsaPro to boost protein can help conquer stubborn weight-loss plateaus.
- **Your Protein, Your Way**
A convenient way to add protein to a smoothie or meal.
- **Perfect for Athletes**
IsaPro is just the thing for high-protein diets and post-workout shakes for recovery.
- **Maintain Muscle**
Higher protein intake can help prevent age-related muscle loss.

How does IsaPro work?

Whey protein is the most effective for building and maintaining lean muscle and burning fat. IsaPro contains a complete branched-chain amino acid profile, all with less than 3 g of carbohydrates and fats and only 150 Cal per serving.

Great For:

- Breaking through weight-loss plateaus
- Starting a weight-loss or workout routine
- Athletes who want to increase protein intake
- Adults who want to prevent age-related muscle loss
