

AMPED™ NOx

Who's It For?

- Anyone looking to enhance their workouts or needing blood flow support
- Ages 12+

What Is It?

A pre-workout or daily supplement that supports nitric oxide production for improved blood flow and reduced fatigue.

Garden-Sourced Ingredients

For a full list of ingredients, see nutrition label on Isagenix.com.

Benefits

- Beets, celery, and red spinach support nitric oxide production which increases blood flow and oxygen delivery to muscle cells
- Increased flow of nutrient-rich blood to your muscles allows your body to exercise longer with less fatigue
- Daily intake supports overall blood flow and cardiovascular health
