**CLEANSE DAY** On a Cleanse Day, you will reap the benefits of intermittent fasting by abstaining from normal meals and foods and instead supply your body with four deep cleanse servings of Cleanse for Life along with Cleanse Day approved snack options. (See Page 10: Cleanse Day Tracker.)

Values are determined through a proprietary Isagenix System and are not linked to values in other food-scoring systems. While most healthy adults can consume up to 400 milligrams of caffeine per day, you should monitor your caffeine intake on Cleanse Days and consider your personal tolerance when choosing caffeinated snack options.
Q: I’m nervous to start! How can I keep myself on track?
A: Accountability, accountability, accountability! You’ll find that this journey is much easier when you surround yourself with support. Try joining the IsaBody Challenge® where you can be part of a large global community of people who are embarking on this same life-changing journey. We’re all here to support one another. Head to WelcomeToIsagenix.com for more information.

Q: How can I satisfy my hunger during Cleanse Days?
A: Simple! Try any of our Cleanse Day approved snack options, such as savory Whey Thins™ or sweet IsaDelight® chocolates. Who doesn’t want chocolate on a Cleanse Day?

Q: Why should I cleanse?
A: Cleanse Days can help kick-start your body’s own detoxification systems. Isagenix Cleanse for Life® is specifically formulated to provide your body with extra support as it prepares for the benefits of intermittent fasting.†

Q: Can I use IsaLean Shake Plant-Based with my current system?
A: Yes! You can easily swap IsaLean® Shakes for dairy-free IsaLean Shakes if you choose.

Q: How can I get creative with my IsaLean Shakes?
A: Easy! Try adding fresh fruit, spices like cinnamon, or Isagenix products like Isagenix Coffee, Organic Greens, or Isagenix Fruits. Just keep in mind that customizing your IsaLean Shake can increase its caloric value.

Q: If I feel tired or have a headache, should I stop using my system?
A: Have a small snack if you are experiencing these symptoms. If your symptoms are serious or persistent, seek medical attention.

Q: I just completed two Cleanse Days in a row and want to do more! Can I continue to complete Cleanse Days to maximize my success?
A: Kudos for crushing your Cleanse Days, but don’t overexert yourself. Keep it nice and steady. Remember, cleansing one day per week is recommended. You may choose to cleanse up to two consecutive days, but do not exceed more than that per week. We also recommend not exceeding four Cleanse Days a month.

Q: I’m a very active person, and I have been gradually increasing my workouts during my program. Should I eat more if I’m hungry?
A: Sounds like you’re in! We suggest swapping out one or both of your IsaLean Shakes for IsaLean PRO Shakes or simply adding a scoop of IsaPro® to 1½ scoops of IsaLean Shake to increase your protein intake. The extra protein will help fuel your body with the nutrients and calories it craves while you’re working out.
