

Whole Blend IsaLean Shake FAQ

What is Whole Blend IsaLean Shake?

Whole Blend IsaLean® Shake is a complete meal replacement that delivers balanced nutrition from whole food ingredients. With 21 vitamins and minerals sourced from whole organic vegetables along with 24 grams of high-quality protein, including whey from grass-fed cows. Whole Blend IsaLean Shake satisfies the desire for more ingredients that are closer to nature.

How does Whole Blend IsaLean Shake compare to the original IsaLean Shake?

Both Whole Blend IsaLean Shakes and the original IsaLean Shake are meal replacements that deliver balanced nutrition with 24 grams of high-quality protein, energy-fueling carbohydrates, and good fats. While the nutritional profile and benefits of the two shakes are similar, the ingredients are somewhat different.

IsaLean Shake contains nutritional support from ingredients including an active enzyme blend and a full spectrum of vitamins and minerals. Classic IsaLean Shakes are naturally sweetened with fructose, a low-glycemic sweetener that's found in fruit, along with stevia extract.

Whole Blend IsaLean Shake has been artfully crafted from whole foods — exactly what your body needs for a balanced meal. Whole Blend Shake contains 1 gram of added sugar and ancient ingredients such as honey, chia seeds, sweet potato, and mushrooms.

Whole Blend IsaLean Shakes won't be replacing the original IsaLean Shakes; both will be available to consumers. Whole Blend IsaLean Shakes are the next evolution of the IsaLean family, a great option for anyone just starting on their health and wellness journey or as an addition to any healthy lifestyle.

What does the vegetable extract blend add to Whole Blend IsaLean Shakes?

Whole Blend Shakes are crafted with a vegetable extract blend that provides 21 vitamins and minerals sourced from organically grown, non-GMO vegetables, including broccoli, spinach, kale, pumpkin, sweet potato, sunflower seeds, chlorella, maitake mushroom, and shiitake mushroom. This blend delivers vitamins and minerals in their naturally occurring forms found in plant-based foods and provides a diversity of vitamin forms called vitamers.

How do vitamers support health?

Different forms of a vitamin, known as vitamers, often have subtly different benefits from one another. Getting a diversity of vitamers from whole foods helps ensure you receive a variety of benefits.

Is Whole Blend IsaLean Shake a meal replacement?

Yes! Whole Blend IsaLean Shake is designed to provide the nutrition of a complete meal for 220 calories per serving. It's crafted with natural ingredients from whole foods to make good nutrition easy.

When should I use Whole Blend IsaLean Shakes?

Whole Blend IsaLean Shake is perfect anytime you need a delicious and convenient meal. You can use Whole Blend Shake to replace up to two meals per day during Shake Days as part of an Isagenix System.

What type of protein does Whole Blend IsaLean Shakes contain?

Whole Blend IsaLean Shake contains 24 grams of high-quality protein including undenatured whey protein concentrate, milk protein concentrate, and nonfat milk.

Who can enjoy Whole Blend IsaLean Shake?

Whole Blend IsaLean Shake may be enjoyed by anyone ages 4 and up as part of a balanced diet.

What is the price and BV of Whole Blend IsaLean Shake?

The new Whole Blend IsaLean Shakes are priced at \$43.99 for Preferred Customers with 28 BV.

How many servings come in each bag of Whole Blend IsaLean Shake?

Each bag of Whole Blend IsaLean Shake provides the complete nutrition of 14 meals (14 servings).
