

Immune Shake Booster

Who's It For?

- Anyone looking for immune system support
- Ages 4+

What Is It?

Daily support to help prime, strengthen, and balance the immune system for better overall health.

Benefits

Scientific Support

Beta glucans are shown to support healthy immune function in a variety of people including adults who experience stress, those who engage in intense exercise, and others

Easy to Use

With just 10 calories per serving and a neutral taste, the blend can be added to your favorite Isagenix Shake

Mushroom Power

Provides a blend of health supportive mushrooms including maitake, reishi, and poria

Maitake Mushroom

Reishi Mushroom

Poria Mushroom

How To Use

Add to your favorite IsaLean Shake or mix with any food or beverage of choice.

- **Adults:** Use 1 scoop daily or up to 2 scoops when additional support is needed
- **Children ages 4+:** Mix ½ scoop daily into Shakes, smoothies, or other thick beverages
