

Cleanse for Life™

The Better Way to Nourish

Intermittent fasting with the assistance of botanical herbs has been practiced for centuries in eastern medicine and the western world is finally catching up. Originally formulated in 2002, Cleanse for Life is a powerful drink packed with ancient botanical herbs and is designed to be used as an aid to gently assist ridding the body of impurities during intermittent fasting (or Cleanse Days, as we like to call them) or any day on the Isagenix System.

- Contains over 10 nourishing vitamins, herbs and botanicals
- Supports the body's natural detoxification process
- Antioxidants to protect against the effects of oxidative stress
- 30 calories per serve
- Perfect for daily use or for weekly deep cleansing
- Natural ingredients with no artificial colours, flavours or sweeteners
- Ages 18+

The Power of Cleansing

The main function of the liver is to filter out nasties from the bloodstream and a healthy liver does a great job of that. But the liver wasn't built with the modern world in mind. Daily or deep cleansing lends a hand to your liver to help remove impurities and protects cells against oxidative stress.

Not Your Average 'Detox'

Unlike many cleanses available today, Cleanse for Life contains no laxatives or diuretics. Using Cleanse for Life in conjunction with an Isagenix System helps move along your body's natural detoxification process while making sure you stay nourished and balanced thanks to the botanical herbs.

Available in Peach Mango flavour in powder (96 g) and Natural Rich Berry flavour in powder (96 g) or Kosher-certified liquid (946 mL).

The Flexibility of Intermittent Fasting

We don't all have the same goals, schedules or priorities. When it comes to Cleanse Days, there's a couple of different ways to do it.

DAILY CLEANSE

Consume two scoops (one serve) of Cleanse for Life daily

- Overall nourishment and better health

CLEANSE DAY

One or two back-to-back Cleanse days. Intermittent fast supported by up to 8 scoops (four serves) of Cleanse for Life while snacking on your choice of Cleanse-Day approved snacks throughout the day

- Overall weight maintenance
- Cellular health
- Immune function

Ingredient Spotlight

- Manages stress
- Reduces cortisol levels
- Increases energy levels
- Improves concentration

Provides support to the digestive system

- Anti-inflammatory
- Packed with antioxidants
- Supports the liver

Helps metabolise protein, fat and carbohydrates
