

### Great For:

- Athletes and active adults
- Adults looking to prevent age-related muscle loss
- Those who want to bust through weight-loss plateaus

# IsaLean™ PRO

Leaner Faster. Stronger Longer.

## What is IsaLean PRO?

IsaLean PRO is our highest protein-per-serving meal replacement that offers delicious specialised nutrition designed to support lean muscle building and help boost metabolism. Each serving contains 36 grams of protein, energy-fuelling carbohydrates, good fats and vitamins and minerals making it a delicious, protein-rich meal replacement with complete nutrition.

## Why do you need IsaLean PRO?

- **Break Through Weight-Loss Plateaus**  
A complete meal replacement that satisfies cravings and delivers high-protein nutrition to help you release stubborn fat.
- **Build Lean Muscle**  
36 grams of undenatured whey and milk protein to promote lean muscle growth and maintenance.
- **Maintain Muscle**  
Add more quality protein and nutrition to your diet to slow down age-related muscle wastage.
- **Maximise Athletic Performance**  
A high concentration of branched-chain amino acids to naturally boost and maintain muscle growth while helping speed post-workout recovery.

## How does IsaLean PRO work?

Lean muscle can help you achieve your health goals. Adults who want to build or maintain lean muscle need more quality protein throughout the day. Studies show that increased whey protein intake can help you stay full longer, boost muscle growth and increase fat burning.

\*This product must not be used as a complete diet replacement.  
Dairy protein sourced from grass-fed cows not treated with hormones or routine antibiotics.
