Going to the gym is great, but if it's not for you, that's OK! You can still keep an exercise log to note any of your physical activity, whether it's walking the dog, going for a hike, playing a sport, or pushing your three bouncing kids in a shopping cart at the store. Whatever it is, record it, and see how much your energy and fitness grow during your Challenge. Share your activities on social media using the hashtag #IsaBody. Social motivation is one more positive influence to push you toward your goals.

# Week 4 ☐ Check off the boxes as you complete each week!
