

YOU SHARE, THEY SHARE, REPEAT™ SCRIPT

What excites me most is that Isagenix has a simple way to help you pay for your products.

It's called 'You Share, They Share, Repeat'.

So, who do you know... that would want amazing results like yours?

There are paks to suit every goal and budget, but for this example let's use a 30-Days Pak.

Let's say that <.....name.....> enrolls with a 30-Days Pak, Isagenix will pay you an USD\$25* Product Introduction Bonus known as a PIB.

Then <.....name.....> also enrolls on a 30-Days Pak, Isagenix will pay you another USD\$25* PIB.

HERE'S WHERE IT GETS REALLY EXCITING!

If both friends get started and place their initial orders in the same commission week – that's Monday to Monday (Singapore Time) – Isagenix will DOUBLE your bonus. That's a total of USD\$100.

When you do this, you'll move to the first leadership level and Isagenix will pay you a one-time bonus of USD\$50.

You have now earned a total of USD\$150!

This is called **'You Share'**.

Together we will help your two friends do exactly what you did, and share the Isagenix products with two people.

And you will receive a USD\$100 bonus for helping <.....name.....> and another USD\$100 bonus for helping <.....name.....>.

This is called **'They Share'**.

Up to this point, you have earned a total of USD\$350!

When you do this within your first 60 days of becoming an Associate, you move to the second leadership level and receive a further bonus of USD\$250.

That's a grand total of USD\$600. Now you can do this once and pay for your products.

Or you can **'Repeat'** it as often as you like.

Repeating these steps can help you pay for your products each month or even build a secondary income. 'You Share, They Share, Repeat' is just the beginning, the earning potential with Isagenix is amazing!

‡ Although selling Paks to new Customers and earning the Product Introduction Bonus may be an early financial benefit, it is also important to find the right solutions and products for each Customer. If the Customer's needs are not met by any of the Paks we offer, simply focus on what is right for that Customer.
