*The ability to earn income under the Isagenix Compensation Plan depends on many factors including an individual Associate's business, social, and sales skills; personal ambition and activity; availability of time and financial resources; and access to a large network of family, friends, and business contacts. Isagenix cannot and does not guarantee any particular level of earnings. Even Associates who dedicate a significant amount of time, effort, and personal funds may not achieve a meaningful level of success. For average earnings, refer to IsagenixEarnings.com.

**In an effort to eliminate empty seats in reserved seating at Celebration 2020, we have reduced the number of reserved seats in reserved seating area, to the following:

Top 10 Businesses will have reserved seating with their business center name on their reserved seats. Top 11-50 Businesses will have reserved seating labeled "Top 50," which means no business center names will be on the reserved seats. Please be on the lookout for the Top 50 Reception invitation, as these are the Members these seats are reserved for. You will also find these Members on signage at the event. All Legacy Club Members outside of the Top 50 will have reserved seating labeled "Recognition Reserved," which means no business center names will be on the reserved seats and they are first come, first serve.
