1. RETAILS ORDERS SOLD DIRECT

As an Isagenix Independent Associate you may sell Products to your retail customers, either through your replicated website or directly, in a face-to-face manner. You have the responsibility to inform your retail customers of their rights under this Policy to return Products purchased from you.

Customers who buy Products from your replicated website shall make returns by sending their cancellation notice to CustomerServiceIE@IsagenixCorp.com for the ROI and CustomerServiceNL@IsagenixCorp.com for the Netherlands. They can also use the Cancellation (Product Return) Form that is available on the Site and your replicated website or can be found as attachment to each retail customer's order confirmation mail or is provided to the retail customer by you. It is not mandatory to use the Cancellation (Product Return) Form – you should advise your retail customers that they can use any way of communicating their return to Isagenix.

If a retail customer wants to return Isagenix Products purchased directly from you in a face-to-face manner please follow this procedure:

- Create a sales slip for the Product refund, including the date and price paid by the retail customer, and write "refund" across the face of the order.
- Refund the money directly to your retail customer and have them sign the sales slip as proof of return.
- You will also be required to provide a copy of the signed refund sales slip in order to get a refund from Isagenix.

Upon customer's request, Isagenix will issue a replacement for the returned Products within 30 days of the Product being logged as returned by our distribution center. Isagenix reserves the right to reject repetitive returns or replacements.

Any BV/PV, and/or other benefits or compensation associated with the Products returned by your retail customers will be deducted once the refund is issued.

2. BUYBACK POLICY

Isagenix strictly abides by the industry rules aimed at avoiding product loading; we believe our Products are of great consumer value and we encourage their sale and consumption. We explicitly discourage purchasing of Products for the purposes of achieving levels, status and any benefits under the Isagenix Compensation Plan.

The Buyback Policy therefore does not apply to Associates who, for the purposes of qualifying for a bonus or some other benefit, has falsely certified that the Products for which they are attempting to receive a refund have been previously consumed or sold. Isagenix reserves the right to decline refunds for any Products that have been falsely certified as consumed or sold or have been acquired by you in breach of your contract with us.

We will also not make reimbursements for any Products that are within 6 months of expiration, discontinued or seasonal Products or Products bought at announced special promotions. Membership and administrative fees, literature and sales aids are nonrefundable under the Buyback, except as required by law.

You may require Buyback of Products bought by you within one year of the date of such request at any time during the subsistence of a contract. The Buyback will be made under the terms set out in 2.2 below.

In addition, upon termination of your contract you may require:

2.1 Buyback of Products (including training and promotional materials, business manuals and kits) purchased by you within 90 days of the date of termination. We will reimburse to you the full VAT-inclusive price paid by you for those Products less a reasonable handling fee. We may further withhold an amount equal to the diminution of the value of the Products resulting from your improper handling of the Products.

2.2 Buyback of Products bought within 12 months of the date of termination. In this case reimbursement will be made at a price not less than 90% of the VAT-inclusive price paid by you for those Products less an amount equal to:

- (i) any commissions, bonuses or other benefits (in cash or in kind) received by you in respect of those Products;
- (ii) any amounts due from you to us on any account; and
- (iii) a reasonable handling charge.

All Products must be unused and in a commercially resellable condition. You must return all Products to us within 14 days of the termination.

All bonuses, compensation, BV/PV, and recognition or advancement received as result of the original purchases will be reversed and deducted from the refund and/ or the respective Sponsor's compensation. Please notify your Sponsor of your intention to terminate your position.

If eligible for a refund, Isagenix will credit the original form of payment within 30 days of the Product being logged as returned by our distribution center. Your account will be closed once the refund is issued.
