

# IsaKids® Essentials

No artificial colors or flavors

## The perfect vitamin for picky kids.

The ultimate children's vitamin with 100% of the recommended daily amount of 16 essential vitamins and minerals to help kids grow healthy and strong.

### What should I know about IsaKids Essentials?

- ▶ IsaKids Essentials contains an all-natural base of fruits and vegetables to ensure proper nutrition, giving children the energy to combat stress and fatigue while strengthening their immune health.
- ▶ Includes 16 essential vitamins recommended for kids to grow into healthy and strong adults. IsaKids Essentials also contains antioxidants for fewer sick days.
- ▶ IsaKids Essentials provides your child with calcium, necessary for healthy bones and teeth, vitamin C for a healthy immune system, vitamin B for healthy brain function, and xylitol, which provides extra cavity-fighting strength.

### How can my child benefit from IsaKids Essentials?

- ▶ IsaKids Essentials contains 100% of the recommended daily amount of vitamins. In just one tablet, there is 5,000IU of Vitamin A and 80mg of Vitamin C—more than what you will find in other children's multivitamins.
- ▶ This complete children's multivitamin has no artificial flavors and tastes great, making it a cinch for your kids to get proper nutrition every day.

ISAGENIX®

Daily Serving =  
Vitamin A: 5,000IU  
Vitamin C: 80mg

Daily Serving =  
Vitamin A: 3,000IU  
Vitamin C: 60mg

Our complete, all natural multi vitamin contains 100% of the recommended amount of 16 essential vitamins and minerals that kids need to grow healthy and strong - with no artificial flavors or colors. Additional vitamin A and C support a healthy immune system.

## IsaKids® Essentials Frequently Asked Questions

### ▶ HOW IS ISAKIDS ESSENTIALS DIFFERENT FROM OTHER CHILDREN'S VITAMINS?

This all-natural multivitamin contains 100% of the recommended amount of 16 essential vitamins and minerals that kids need to grow healthy and strong. IsaKids Essentials also contains an all-natural base of fruits and vegetables to provide whole food nourishment for growing minds and bodies, including antioxidants for fewer sick days. Essential minerals are included for healthy bones, teeth and eyes and B vitamins for healthy brain function.

### ▶ WHY DO CHILDREN NEED VITAMINS AND MINERALS?

It is important that active, growing children receive all the vitamins and minerals they need every day. Vitamins and minerals help release energy from food and help build muscle, bone, blood and other vital tissue. The body has to be supplied with vitamins and minerals on a regular basis. Without a regular supply of vitamins and minerals, children cannot maintain good health and normal growth.
