

# AMPED™ 補水活力飲料粉

## Great For:

- Those who exercise
- Those who need to replenish electrolytes
- Those who want a great-tasting drink

## What is AMPED 補水活力飲料粉?

AMPED is the perfect drink to hydrate and re-energize your body naturally.

## Why do you need AMPED 補水活力飲料粉?

- Energizing nutrients such as vitamin B and electrolytes help for vitality.
- Everyday hydration without artificial colors, flavors, or sweeteners.
- Better performance that athletes and active people need to perform at peak levels.

## How does AMPED 補水活力飲料粉 work?

AMPED helps you quickly satisfy your thirst while naturally delivering you vitamins and electrolytes with a small amount of carbohydrates to replace lost nutrients, reenergizing and nourishing the body for best performance.

- No artificial flavors, colors, or sweeteners.
- Vitamin C provides several benefits to health and functions as an important antioxidant in the body. Sodium functions as an electrolyte and helps replace what's lost through sweating.

## Flavor Options

LEMON  
LIME

JUICY  
ORANGE

# AMPED™ Hydrate

*Hydrate and Re-energize Your Body Naturally*

Our **NEW** liquid concentrate line provides the same great product benefits in one convenient-sized bottle.

## WHY YOU NEED AMPED Hydrate:

### ENERGIZING NUTRIENTS

Proper hydration is important when physical activities and exercise is intense or long. AMPED Hydrate is enriched with vitamin C, vitamin B1, B2, B3, B5, B6, B12, and electrolytes, which help for energy and vitality.

### EVERYDAY HYDRATION

AMPED Hydrate is a great way for everyone to hydrate without any artificial colors, flavors, or sweeteners.

### BETTER PERFORMANCE

Even as little as 2 percent of water loss can significantly diminish performance. AMPED Hydrate helps to satisfy your thirst quickly while delivering vitamins and electrolytes along with a small amount of carbohydrates that active people and athletes need to help their body's to perform at peak levels.

### CONVENIENT AND PORTABLE

You can take your concentrate bottle on the go, you can share with your friends.

## WHAT IS AMPED Hydrate?

AMPED Hydrate helps you quickly satisfy your thirst while naturally delivering you vitamins and electrolytes with a small amount of carbohydrates to replace lost nutrients, re-energizing and strengthening the body for best performance.

## HOW IT WORKS:

AMPED Hydrate helps you quickly satisfy your thirst while naturally delivering you vitamins and electrolytes with a small amount of carbohydrates to replace lost nutrients, re-energizing and nourishing the body for best performance.

- Vitamins B1 and B2 act as a coenzyme for changing carbohydrates into energy.
- Vitamin B6 helps to enhance energy into metabolism.
- No artificial flavors, colors, or sweeteners.
- Contains stevia leaf extract that provides natural sweetness.

## WHAT IS A CONCENTRATE?

A concentrate is food or liquid that has been reduced in volume by the removal of water or other diluting agent making it more potent. Our new liquid concentrates definitely pack a punch, so it's important that the daily consumption amount is still followed.

## NEED TO MAKE A HEALTHY DRINK FAST?

Instantly make one serving of your favorite AMPED™ Hydrate flavor drink by adding three (3) squeezes of liquid concentrate to 60-120 mL of water. Adjust water to taste.

### Perfect For:

- All Ages

Available in convenient 14-serving concentrate bottles in flavors Juicy Orange and Lemon Lime.
